

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release

**April 28, 2017**

For More Information:

**Engineering Department / 228-0440**

### **SEVENTH STREET TO CLOSE DURING SPRING STREET PROJECT**

Beginning at 7 a.m. on Monday, May 1 Spring Street from Seventh Street to the west end will be closed to allow for the reconstruction of the street and underground utilities. This is the first phase of the Local Streets portion of the Marquette Hospital Transportation Improvements Project. This phase is scheduled to be substantially complete by the end of May.

The Seventh Street intersection will be closed to through traffic. This will result in no through traffic along Seventh Street from Baraga Avenue to Washington Street and no through traffic along Spring Street from Altamont Street to Seventh Street.

The public is advised to use caution when traveling through this area and to be alert for construction, detour and advisory signing. Pedestrian access will be maintained as much as possible for the residents in this area.

A phasing schematic can be accessed at the City of Marquette web site under the Marquette Hospital Transportation Improvements Project link at [www.mqtcty.org](http://www.mqtcty.org).

Bacco Construction Company is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
