## UNDERSTANDING YOUR CITY UTILITY BILL

### Explanations:

- 1 Account number - Please reference this number when making a payment or inquiry.
  - 2 Returning this top portion helps ensure timely and accurate posting of your payment.
  - 3 Payments received on or after this date are not reflected in Total Due. If bill is higher than usual, verify that your prior bill has been paid.
  - 4 Beginning and ending meter reading dates this billing period
  - 5 If you have a lawn (subtract) meter, there will be two meters listed here. Lawn meter usage (if any) is shown as a negative.
- Helpful Hint: If your usage is higher than normal, dye test all of your toilets as soon as possible. Remove the toilet tank cover and add some food coloring to the tank. DO NOT FLUSH! Wait 5-10 minutes and check if any of the coloring shows in the toilet bowl, indicating a leak.
- 6 Breakdown of charges for the current bill
