

City of Marquette Solid Waste Program

Garbage and Recycle Cart Order Form

City of Marquette residents can choose between the Cart System for garbage and recycling collection or the Green City Bags System. All cart packages include at least one garbage cart and one recycle cart.

- If you choose to stay on the bag system but would like a recycle cart, choose which size recycle cart in the “Bag System” section.
- If you choose to order garbage and recycle cart(s), please fill out the “Cart System” section. You may add an additional recycle cart.
- If you want to exchange or return your existing cart(s), please state on form. *All returned carts must be clean to allow redistribution or a \$25 cleaning fee will be charged.*

Please mail the form to 300 W. Baraga Ave. Marquette, MI 49855, fax 906-228-0445 or email publicworks@marquettemi.gov . You will be contacted to schedule a pickup day.

The chosen system fee will be in place of the current “Solid Waste” fee on your water bill and will appear on the following months utility bill. If you have questions, please contact Public Works at (906) 228-0444 (press 0).
