NEW CITY OF MARQUETTE WEBSITE

The new City of Marquette municipal website is now live at the web address: www.marquettemi.gov

Effective immediately, the old web address (www.mqtcty.org) will reroute to the new site. However, some technical difficulties may be encountered when trying to access the new website utilizing the old web address. For the best results, please navigate directly to the new web address.

In addition, the City is also experiencing internal and external email issues as a result of the web address migration. If you have an urgent matter, please call the appropriate City department.

Thank you for your patience and cooperation as we make this change.
