## Message from Mike

*In each issue, the Marquette City Manager shares his comments in the form of a column. This month City Manager Mike Angeli (pictured right) shares a synopsis of his first few months on the job. City Manager Angeli can be reached at 906-228-0435.*

Well, it's been roughly two months since the last issue of Marquette Matters and we've all been very busy. If you recall, the last time I wrote I told you a little about myself after having been unexpectedly elevated to the position of City Manager. It was a time of some uncertainty and maybe some confusion, but I'm happy to report that City Staff has not missed a beat and continues to do the good work that we've all come to expect.

The emphasis for the last few months (and for several months yet to come) has been putting the pieces of the Duke LifePoint project together. As you are probably aware, this is a complicated process with many moving parts, one of which is the relocation of the Municipal Service Center. This is an educational process for me and I am continuously amazed at the actual number of City departments and staff that are needed to make this all work. Due to the complexity of the project, every City Department, with the exception of one, has had to contribute in one fashion or another. Luckily for me, everyone here is very good at what they do and I can depend more on their expertise instead of sticking my nose in where it doesn't belong.

Although many staff members have contributed to this project, I couldn't help but have a special appreciation for City Attorney Ron Keefe and his partner Suzanne Larsen. The amount of legal work that went into this project was staggering and there were at least six attorneys involved from both sides (and we can all imagine the potential there). But I'm happy to report that we all had the same goal, the right people were in the room and reason and common sense won the day. My thanks to Tom Butler and the DLP staff as well. They proved to be good people to work with.

In case you missed it, we were able to complete the land sale (the current Service Center) to DLP through a detailed Post Closing Development Agreement, approve a lease agreement with DLP to enable us to continue to (temporarily) utilize part of our old Service Center after they purchased it and during our transition to our new Service Center, approve the purchase of about 3.5 acres of land from Argonics on Wright Street for the development of the new Service Center and move forward in solidifying some of the funding for the project through the Brownfield Redevelopment process.

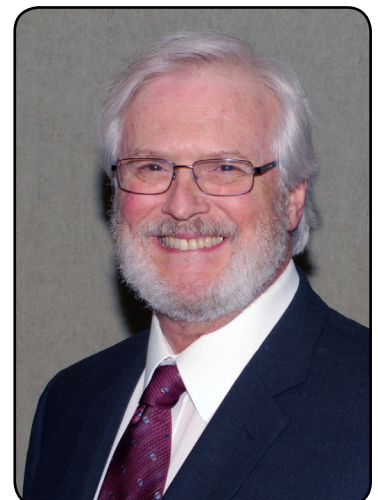

Of course there is still plenty left to be done, but if anyone has any doubt that the hospital project will happen I, for one, am not seeing anything to indicate otherwise.

## New Commissioner Profile- Mike Plourde

An orientation session for volunteer members of Marquette City authorities, boards and committees will be held on Jan. 20, from 4-5 p.m. in Commission Chambers at City Hall. All appointees are asked to attend at least one session during their tenure. Interested members are asked to contact the City Manager's Office.

## Holiday Closure

City offices located at Marquette City Hall, 300 W. Baraga Ave.; the Lakeview Arena, 401 E. Fair Ave.; the Marquette Arts & Culture Center, 217 N. Front St. (Peter White Public Library); and the Municipal Service Center, 850 W. Baraga Ave. will be closed on Thursday and Friday, Dec. 31, and Jan. 1, 2016, and Monday, Feb. 15 for the New Years and President's Day holidays, respectively. The Fire and Police Departments will remain open and staffed during these times.

## Manager Open Office Hours

City Manager Mike Angeli holds community office hours on the second Wednesday of each month, from 10 a.m. until noon in the main floor conference room of the Peter White Public Library. The next community office hours sessions are scheduled for Jan. 13 and Feb. 10.

The meetings are intended to provide informal opportunities to discuss issues within the community, and to give citizens a chance for direct dialogue with City staff about interests and concerns.

## Winter Parking Ban

Marquette City residents, NMU students, and visitors are reminded the City's winter parking ban is in effect until April 1. The winter parking ban requires owners of vehicles to find off-street parking between the hours of 1 and 6 a.m. daily. The fine for violating the parking ban is \$50. Marquette residents are encouraged to find alternate off-street parking before the parking ban goes into effect.

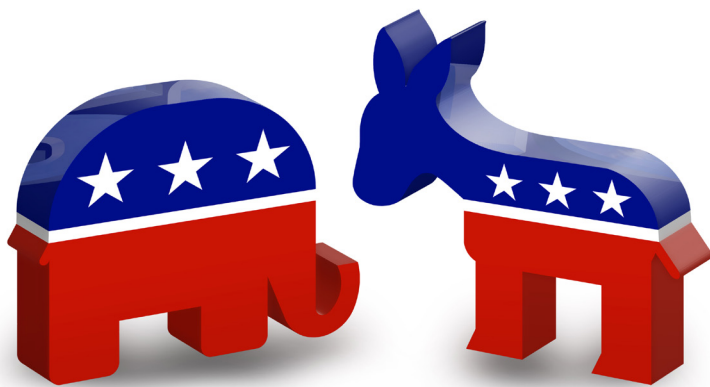

## Presidential Primary

At Michigan's Presidential Primary Election held on Tuesday, March 8, voters will have the opportunity to cast a ballot for a presidential candidate from one of the two major parties. There will be a ballot specific to each party, and upon entering the polls on Election Day, voters will be asked to identify which party primary they would like to vote in. Under state law, you cannot cast a vote in the primary unless you first identify which party primary you want to vote in.

Those qualifying to vote absentee will be able to cast their ballot without setting foot in a polling location on March 8, but will still need to identify which party primary they seek to participate in (this decision must be made when filling out the application for an absentee ballot). The City of Marquette maintains a permanent AV list, a list of voters who have opted to receive an application for an absentee ballot prior to each election. In the lead-up to the March election, the Clerk's office will mail out approximately 1,240 applications to City voters.

For some historical context, the last presidential primary was held in February of 2012, and voter turnout in the City was low: Just 1,303 people, 9.85 percent of registered voters, cast a ballot.

The Michigan primary vote comes one week after "Super Tuesday," during which primary contests or caucuses will be held in 12 states. The last day to register for the March Presidential Primary is Feb. 8.

## Michigan Senate, House OK End to Straight Ticket Voting

In a contentious afternoon and evening at the state capitol, the Legislature voted Dec. 16 to eliminate straight-party ticket voting. While 40 other states have eliminated the option in the past, this was the Michigan Legislature's third attempt to do so.

In the final hours of debate and negotiation, the Legislature removed from the bill a tie-bar to another piece of legislation that would have allowed registered voters in the state to cast a secure absentee ballot without giving a reason. There are 27 states with no-reason absentee voting.

Currently, residents may vote absentee if they are:

- Age 60 years or older
- Unable to vote without assistance
- In jail awaiting arraignment or trial
- Unable to attend the polls due to religious reasons
- Appointed as an election inspector in a precinct outside of their precinct of residence
- Expecting to be out of town on election day

via Wikimedia Commons

Opponents of the proposal to eliminate straight-party ticket voting argued that it could create confusion and longer lines at polling locations and some contended that the no-reason absentee bill would have eased some of that strain.

*From the Detroit Free Press:*

Senate Majority Leader Arlan Meekhof, R-West Olive, told reporters late Tuesday that he will keep the absentee voting bill in the Government Operations committee, which he chairs, without holding a hearing or vote on the matter. The Senate voted 20-17 to break the tie bar between the two bills.

*Also from the Free Press:*

This year, however, Republicans added a \$5-million appropriation to the bill, claiming it will be used to help clerks adjust to the change with more voting equipment. But the appropriation also makes the measure immune from a referendum by voters. An amendment to remove that appropriation failed.

## Bring Your Ski and Snowboard Skills to the Streets of Downtown!

North Front Street in Downtown Marquette will be buried in snow on Saturday, Feb. 20 for the fourth annual Downtown Showdown Rail Jam. The 100 and 200 blocks of North Front Street will serve as the location for the event, bringing the excitement of the ski hill to the historic streets of Downtown Marquette. Athletes will be able to participate in an Open Jam from 3 p.m. to 5 p.m.

Those wishing to compete for up to \$1,500 in cash prizes have the option to be part of the Ski Rail Jam at 6 p.m. or the Snowboard Rail Jam at 7 p.m., with Ski and Snowboard Finals held under the lights at 8 p.m. Spectators are welcome to line the streets and cheer the competitors on, and take a break from the elements in our warm up tent. Witness exciting skills, flips, and moves as competitors of all ages whip down the street in Marquette's Downtown District.

## The 26th Annual UP200 and Midnight Run

The dog sled races begin on Friday, Feb. 12 with the opening ceremony at 6:30 p.m. at the corner of Fourth Street and West Washington Street in beautiful Downtown Marquette. The first UP200 team leaves the chute at 7 p.m. amid the excited cheers of spectators lining the streets. The excitement continues as the Midnight Run takes off with their 8-dog team at the starting gate at approximately 8 p.m. The Marquette Downtown Development Authority will host a Warm-Up Party during the races, from 7 p.m. to 9 p.m. at the Marquette Commons. Be sure to follow the mushers' progress on the UP200 website, [www.up200.org](http://www.up200.org), and then return to cheer your favorites across the finish line. Both races finish in Marquette's Mattson Lower Harbor Park. The first

Midnight Run racer is expected to finish in the morning on Saturday, February 13. The UP200 mushers are expected to begin crossing the finish line mid-afternoon on Sunday, Feb. 14.

The UP200 is an Iditarod qualifier and one of the top 12-dog mid-distance races in the Midwest. The trail covers nearly 240 miles of challenging terrain through forested land, hills, creek crossings and deep snow as the mushers face isolated trails on their trek from Marquette to Grand Marais

and back again.

In addition, Gwinn will host the 12th running of the Jack Pine 30, a 30 mile race offering competition for 6-dog teams beginning at 9:30 a.m. on Saturday.

## Downtown Development Authority

For more information on the events listed on this page, please contact the Marquette Downtown Development Authority at 228-9475 or visit <http://www.downtownmarquette.org>.

Marquette's YMCA, located at 1420 Pine St., will serve as Race Headquarters this year, hosting the pre-race banquet, the silent auction and merchandise for sale. Race headquarters will be open 9 a.m. to 9 p.m. throughout the weekend starting Wednesday, Feb. 10. Merchandise is also available for sale at [www.up200.org](http://www.up200.org).

## Kraft Hockeyville USA

The Kraft Hockeyville USA competition will be starting back up in 2016 and Marquette is gearing up for another run to prove that we are the most passionate hockey community in America. The grand prize community will win \$150,000 for arena upgrades and a chance to host an NHL exhibition game.

Last year, Sault Sainte Marie was selected for the voting rounds and they won a consolation prize of \$50,000 for arena upgrades. The competition will begin Jan. 1 for the nomination phase that will run through April. Once the nomination period closes, judges will evaluate the nominations and select 10 ice arenas for the voting period in the spring. There will be three voting rounds that are open to the public and the final round will determine the winner of Kraft Hockeyville USA.

## City Continues Planning Transportation Process for the New Hospital Access to US-41/M-28

The City Community Development Department, in conjunction with DLZ, Inc., continues work on Phase I of the transportation planning process for obtaining access to the soon to be constructed hospital from US-41/M-28. Phase I includes a Traffic Impact Study and Early Preliminary Engineering of four alternatives that will be considered for selection at the end of Phase I.

The project team has been working hand in hand with the Michigan Department of Transportation, as well as the Federal Highway Administration, and will soon have four options available for the public to view sometime around the end of this year. Once an option is selected, the team will begin Phase II of the project which includes an Environmental Impact Assessment, approval from MDOT and FHA and design of the selected option.

The City has also begun drawing plans for the realignment of Baraga Avenue and other tweaks to the road network for Seventh and Spring Streets. Design options for these streets will be presented to the Planning Commission in early 2016.

Hospital and Clinical Services Building View from Baraga Street

This work is necessary as part of the purchase agreement with Duke Life Point for the sale of City Property and construction of a new hospital, and is funded by Brownfield Tax Increment Financing revenues.

## Great Lakes Beach Conference Coming October 2016

Plans are underway for the next Great Lakes Beach Conference in October of 2016. This will be the first conference along the Lake Superior shoreline in Marquette, Michigan! This conference is widely considered to be a premiere event by all Michigan business and government stakeholders and the three-day program will provide an outstanding opportunity to exhibit Marquette success stories, including the remarkable transformations of the waterfront, to visitors from all around the Great Lakes region.

Information on past conferences and the Great Lakes Beach Association can be found by visiting their website, <http://www.great-lakes.net/>.

## When the Heat Gets too Hot

Heating equipment is a leading cause of home fire accidents. Half of home heating equipment fires are reported during the months of December, January and February. Some simple steps can prevent most heating-related fires from happening.

- Keep anything that can burn at least three feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- Have a three-foot "kid-free zone" around open fires and space heaters.
- Never use your oven to heat your home.
- Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- Remember to turn portable heaters off when leaving the room or going to bed.
- Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- Test smoke alarms monthly.

## Rental Fire Inspections

If you own a rental property in the City of Marquette you are required (per Ordinance #521 Rental Fire Safety Code) to register the property with the City of Marquette's Fire Department. Registration packets are available at Fire Station 1, 418 S. Third St. You can also find the form online at [www.mqtcty.org](http://www.mqtcty.org) under Forms, or call 906-225-8941 to request a Rental Packet be mailed to you.

This ordinance was adopted on Aug. 9, 2004. It is designed to keep residents safe by promoting fire safety and ongoing maintenance of rental properties. This ordinance keeps residents safe and enhances property values for the City.

## City Open House

Community members are invited to the City of Marquette Open House on Wednesday, Feb. 17, from 4-7 p.m. at the City of Marquette Arts and Culture Center located in the lower level of the Peter White Public Library at 217 N. Front Street.

Meet City Commissioners and staff, including police officers, the K9 unit, Firemen, the City Manager and City partners. Families and children of all ages can look forward to raffle drawings, giveaways, snacks and refreshments.

Additionally, children can learn about their city with a special sticker passport and other hands-on activities including trying on firemen's boots and jackets or checking out dive equipment.

For more information, call 906-228-0472 or e-mail [arts-culture@mqtcty.org](mailto:arts-culture@mqtcty.org).

# 2016 Curbside Collection Schedule:

FIBERS

RIGIDS

Under the dual-stream system, fiber and rigid materials are collected on alternating weeks. Simply place a bin of the selected materials at your curb at the same time you routinely set your garbage out.

## Important Information

- You can also take your recycling to the Municipal Service Center, located at 850 W. Baraga Avenue.
- You will be able to deposit your recycling into the large containers out front, but the material must still be separated into two streams.\*

\* Subject to change due to the anticipated relocation for the Service Center in 2016. A public service announcement will be published once a location and date has been determined.
