MAY EXHIBITS: LSAA MEMBERS' SHOW AND CAROLYN K. SNYDER

The City of Marquette Arts and Culture Center announces its May exhibition: *The 41st Annual LSAA Members' Show*. This juried exhibit is a celebration of the creative talents found in the Lake Superior Art Association's membership and will feature pieces from a variety of media.

The SmallWorks Gallery will also feature an exhibit by Carolyn K. Snyder. Snyder served as an illustrator at the Medical College of Wisconsin, creating black and white line drawings for teaching and research publications. After retiring to Marquette in 2002, she began painting again. Portraits from Life will feature oil painting portrait sketches. These 90-minute sketches were completed in one afternoon and are not considered to be finished portraits. The landscape of the human face is a continuing fascination to Snyder and these portraits are painted from live models. Her first concern is depicting the nuances in features accurately to capture the likeness of the model.

The exhibits will be running May 2-26 and there will be an artist reception in conjunction with the 21st Annual Art Awards held on Saturday, May 20, from 6 to 7 p.m. Immediately following the reception, guests are invited to attend the awards ceremony beginning at 7 p.m. This event is free and open to the public with a "black and white" suggested dress code to match the atmosphere of the Annual Art Awards.

The City of Marquette Arts and Culture Center is in the lower level of the Peter White Public Library. For more information or questions, please contact 228-0472 or email arts-culture@mqctcy.org.
