PORTION OF SEVENTH STREET CLOSING DURING CONSTRUCTION

Beginning at 7 a.m. on Friday, June 9 Seventh Street from Fisher Street to Baraga Avenue will be closed to allow for the widening of the street. This is the second phase of the Local Streets portion of the Marquette Hospital Transportation Improvements Project. This phase is scheduled to be substantially complete by the middle of July.

Currently there is no through traffic from US 41 to Washington Street. This notice will affect the local residents who live in the area.

The public is advised to use caution when traveling through this area and to be alert for construction, detour and advisory signing. Pedestrian access will be maintained as much as possible for the residents in this area.

A phasing schematic can be accessed at the City of Marquette web site under the Marquette Hospital Transportation Improvements Project link at www.mqtcty.org.

Bacco Construction Company is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
