HALLOWEEN SPECTACLE RESCHEDULED TO OCT. 29

Due to forecasted rain, the Halloween Spectacle will take place Sunday, Oct. 29. The performance will ignite the 600 block of West Bluff Street, north of Harlow Park, between North Seventh and Morgan streets, from 6:30 to 7:30 p.m. The opening procession has been cancelled. The Spectacle is free and open to all ages.

Harlow Park provides the perfect back drop for this year's Spectacle. Equipped with built-in hillside "bleachers," to enjoy performances. If attending, bring a blanket or tarp for your seat. This year's theme is the four elements. Don your costume and join the queens of Earth, Water, Air and Fire. Fire dragons, Italian opera, lunar moths, witches, drumming, contortionist and fire dancing are a few of this year's surprises.

For event details and updates please go to the community calendar at www.Marquette365.com or visit the City of Marquette Arts and Culture Center Facebook page. If you have questions, please contact the City of Marquette Arts and Culture Center at 228-0472 or email arts-culture@marquettemi.gov.

The Halloween Spectacle is made possible with funding from the City of Marquette, the Marquette Downtown Development Authority and the Michigan Council for Arts and Cultural Affairs Mini Grant Program, administered by CUPPAD and The Marquette Rotary Club.
