(b). Pre-Retirement Option:

The following employees who converted to benefit time with the parties' collective bargaining unit of July 1, 2004, (or with a different bargaining unit during a "window"), are eligible for a pre-retirement benefit time payment option:

<u>Employee</u>	<u>Accrued Benefit Hours as of 7/23/10</u>	<u>Hire Date</u>	<u>Earliest Projected Retirement Eligibility Date</u>	<u>MERS Maximum Benefit Hours Accrual</u>
Albert, P.	1023.4247	2/1/88	12/28/17	840
MacDonald, J.	1021.0360	7/1/84	06/15/12	840
Florek, T.	341.3632	7/14/03	01/04/26	840
O'Neill, M.	794.0766	9/15/93	08/17/23	840

Each such employee has an option for the year he retires from employment with the Employer to be paid for his accumulated benefit hours exceeding 840, up to a maximum of 260 hours (i.e., the difference between 1,100 hours and 840 hours). The purpose of this one-time pre-retirement benefit time payment option is to allow the eligible employee to include accrued benefit time up to 1,100 hours toward "final average compensation" for pension purposes.

To exercise the pre-retirement option in this Article, the employee must submit a request to Human Resources no less than 30 days prior to the employee's planned date of retirement. Payment will be included with your regular pay deposit the pay period following approval of the request. No separate check will be issued. Employees who exercise the pre-retirement option will be paid the difference between 840 hours and their estimated accrued balance (up to 1,100 hours). The pre-retirement option is a one-time only option, and will not be extended again in the event the employee's retirement date is delayed.

Payment will be at the employee's base rate of pay in effect at the time the option is paid.

B. Scheduling Benefit Time

Except by mutual agreement the following is required:

<u>Duration of Leave</u>	<u>Employee Request</u>	<u>Employer Determination</u>
Less than 5 days	2 working days	1 working day
5 days or More	10 working days	3 working days

1. Request of benefit time shall be made to the designated supervisor or Department Head.
2. Scheduling of benefit time will be dependent upon the operations and staffing needs of the department and available benefit time accrual.
3. During the month of January each calendar year employees will be able to request in writing benefit time for that calendar year. After January 31, the employer will respond to written requests on a first submitted basis. Such responses shall be in writing from the employer.
4. Scheduling for benefit time shall be accomplished and posted by the third week in February and if at that time requests cause a conflict in scheduling, the employee with the highest seniority within the Department shall be granted preference of benefit time.

C. Unscheduled Benefit Time

1. An occurrence is any unscheduled benefit time which is not mutually agreed upon by the employer.
2. Unscheduled utilization of benefit time including consecutive days off without prior authorization will be considered one occurrence.
3. In the event an employee has six (6) occurrences in any twelve month period, the employer may notify the employee and the union, in writing, that it suspects possible abuse of benefit time and may thereafter require a physician certificate regarding the employee's future claims of unscheduled utilization of benefit time.
4. An employee may be required to furnish physician's return to work certificate or other documentation, verifying the need for absence, whenever four (4) or more consecutive unscheduled benefit days are claimed. Reasons for the required documentation will be explained to the employee at the time of notification of the requirement and will be documented in writing thereafter. Employees failing to provide the required verification may not be permitted to return to work, be entitled to receive paid benefit time for such an occurrence and/or may be subject to disciplinary action.
5. Normally notification for utilization of benefit time for illness, injury or emergency shall be provided prior to the start of each and every scheduled shift, so as to enable the employer to adequately schedule the workforce. For notification purposes, contact will be made to the normal designated replacement.
6. Employees who exceed the number of benefit time hours available to them will be subject to progressive discipline.

D. Payment Upon Separation: Upon separation of employment, all accumulated benefit time will be deposited to the employee's MERS Health Care Savings Program. Payment will be made at the employee's hourly rate at the time of separation.

ARTICLE 25 – PAY PERIODS/DIRECT DEPOSIT

Pay periods shall be biweekly with pay days on alternate Fridays. When pay days fall on holidays, employees shall receive their pay on the last regular workday prior thereto.

B. Direct Deposit

All employees will be required to utilize direct deposit for payroll purposes. The employer reserves the right to distribute Notices of Deposit electronically.

ARTICLE 26 – HEALTH/DENTAL/VISION/PRESCRIPTION DRUG COVERAGE

A. General Provisions

1. "Eligible Employees" for purposes of this Article are regular full-time employees. Coverage will commence for Eligible Employees and their eligible dependents on the first of the month following the date of hire or the first day of the month following the closing of an open enrollment window. An employee remains an "Eligible Employee" in the event the employee is absent as a result of any injury or illness or while the employee is laid off for a maximum of a twelve-week period.

2. To receive insurance coverage, an Eligible Employee must make proper application with the Employer, and must keep the Employer informed of any changes in their family, coverage desired, beneficiaries or other information affecting insurance status. The effective date for coverage, or for changes in coverage, will be the earliest date permitted by the insurance carrier(s) following notification of such change by the Employer (or the employee's eligibility date, if later).

3. Unless otherwise specified, "insurance coverage" for purposes of this Article means health and hospitalization insurance, dental insurance, vision coverage, and prescription drug coverage offered by the Employer. For purposes of this Article, health coverage" refers to health, hospitalization and prescription drug coverage only.

4. The Employer reserves the right to offer alternative insurance carriers, health maintenance organizations, or benefit levels or to self-insure, so long as the new alternative or remaining coverage and benefit levels are substantially similar to those which they are replacing.

B. Employer Premium Contribution

1. For plan coverage years beginning on or after July 1, 2013, the Employer shall comply with the annual cost limits by coverage level provisions of Public Act 152 of 2011 (PA 152), excluding vision and dental premiums.

2. If in plan coverage years beginning July 1, 2018 through the life of this contract the City Commission elects to implement section 4 of PA 152, the bargaining unit has the option of reducing the cost of health coverage by a corresponding reduction in benefits. The bargaining unit may pay any required premium costs through a pre-tax payroll deduction.

The Employer may aggregate the employees' share of total annual costs as it sees fit.

C. "Core"; "Buy-Up" and "Buy-Down" Plans; Health Reimbursement Arrangement

The Employer agrees to offer a Core plan of benefits as outlined in the Benefits-at-a-Glance and plan documents. The Employer shall also offer a Buy-Up Plan and a Buy-Down Plan in addition to the Core

Plan as insurance coverage options to Eligible Employees in the bargaining unit. The Benefits-at-a-Glance for each plan option are available on the City's employee portal. Each Eligible Employee shall make an annual election of coverage on a date established by the Employer, choosing the Buy-Up Plan, Core Plan, or Buy-Down Plan. An Eligible Employee who fails to make a timely election will be covered by the Core Plan.

Eligible Employees who elect to participate in the Buy-Up Plan for insurance coverage will pay a portion of the premium(s) equal to the difference between the Core Plan aggregated monthly premium rates and fees paid by the Employer (subject to the applicable caps set forth by PA 152 and amended each year by the State Treasurer) and the Buy-Up Plan aggregated monthly premium rates (subject to the applicable caps set forth by PA 152 as amended). The employee's payment will be paid by payroll deduction. The employee may elect to make such payment on a pre-tax basis by funding the payment through the Section 125 cafeteria plan offered by the Employer.

For Eligible Employees who elect to participate in the Buy-Down Plan for insurance coverage, the Employer will establish a Health Reimbursement Arrangement (HRA). The Employer will monthly contribute to the HRA amounts equal to the difference between the Core Plan aggregated monthly premium rates and fees paid by the Employer (subject to the applicable caps set forth by PA 152 and amended each year by the State Treasurer) and the Buy-Down Plan aggregated monthly premium rates (subject to the applicable caps set forth by PA 152 as amended). The HRA funds shall be administered by a third-party administrator determined by the Employer. As governed by the HRA plan document, the HRA funds will be available for the employee to offset eligible health care expenses in accordance with IRS regulations while the employee is employed by the Employer or upon retirement with at least 15 years of employment with the Employer. Unused HRA funds may be rolled over from plan year to plan year. In the event an employee's employment is terminated in a manner other than retirement, any unused HRA funds will be forfeited to the Employer. The costs associated with establishing the HRA shall be included in the caps established by law, including the ongoing monthly administrative costs of the HRA. Retirees will be invoiced for the monthly administrative fee during the employee's retirement until the funds are exhausted.

The Employer further agrees to purchase a plan and self-fund the difference between the deductible and co-pays of the purchased plan and the deductible and co-pays of the Core Plan outlined in the Benefits-at-a-Glance available on the employee portal and plan documents. The Employer will pay that portion of the premium and fees that is at or below the statutorily established maximums for public employers. Employees will be required to pay any health coverage premium that exceeds the caps through automatic payroll deduction. The employee may elect to make such payment on a pre-tax basis by funding the payment through the Section 125 cafeteria plan offered by the Employer.

D. Coverage Upon Retirement

1. Employees who retire at age 55 or older with a full MERS retirement, will be given the option to participate, at their own expense, in the Employer's insurance coverage.

The City will contribute \$225.00 of the premium cost per month for employees who retire at age 55 or older with 80 points (age plus years of service) toward their health and hospitalization insurance and prescription drug coverage until age 65. This contribution of up to \$225.00 can be used for payment of premiums to other health insurance carriers if the City is supplied proof of the insurance premium payment by the retired employee.

Under the provisions of this Article, any employee who is married to another City employee must hold his or her own policy upon retirement in order to qualify for the up to \$225/month Employer contribution.

Employees who are hired after July 22, 2013, are not eligible for City retiree health coverage or any Employer contribution upon retirement.

E. Coverage Opt-Out

1. Employees who would be considered eligible employees but are covered by their spouse's insurance program may elect not to participate in Employer insurance coverage during the annual enrollment period. Cash in lieu of benefit payments shall be paid to employees who are eligible in the amount equal to 50% of the single subscriber premium rates (based on the state "cap" for single coverage plus vision/dental insurance) paid by the Employer (subject to required state and federal taxes) beginning the 1st pay period after July 1 as stated in the Section 125 Plan document. Such cash in lieu of benefit payments will be made each pay period that the employee opts out of Employer insurance coverage and will be based upon the aggregated single subscriber premium rates for the Core Plan in effect at the time of payment.

2. Employees shall provide proof of insurance coverage to the Employer to justify the payments. Alternate insurance coverage must meet the affordability and minimum essential coverage requirements defined under the Affordable Care Act (ACA).

3. Employees opting out of Employer insurance coverage will be budgeted for insurance coverage as if the employee had not opted out of the insurance coverage. Any cost savings associated with these additional opt outs will be dedicated to fund the Employer's unfunded accrued liabilities. If the employee later revokes the waiver of coverage, reinstatement of coverage may be contingent upon such limitations and restrictions as the insurance carrier(s) may prescribe.
