### **SNOWBANK REMOVAL FROM CITY RIGHT-OF-WAY**

Beginning January 28 at 6:30 pm, crews will begin removing snow from the City right-of-way on all designated sidewalks that are plowed by the Public Works Department. Residents are urged to keep items such as snow shovels and children's toys off snowbanks. We also ask if possible to avoid parking vehicles on the streets so crews have access to all removal areas. This project will be ongoing 24 hours a day, Monday through Friday until completed. Expected completion date is February 9.
