ARTICLE II. - LICENSES

Sec. 12-25. - Business registration.

No person shall hereafter enter into the operation, conducting or carrying on of any trade, business or profession in the city unless he first registers the same with the city clerk on forms provided by the clerk. No fee shall be charged for such registration.

(Code 1999, § 6.5.01)

Sec. 12-26. - Registration card.

The city clerk shall issue a registration card to each registrant. No registrant shall fail to produce said card when requested to do so by any city police officer, the city clerk or authorized representative of the city clerk.

(Code 1999, § 6.5.02)

Sec. 12-27. - License required.

No person shall engage or be engaged in the operation, conduct or carrying on of any trade, profession, business or privilege for which any license is required by any provision of this Code without first obtaining a license from the city in the manner provided for in this article. An application for license may be reviewed as follows:

- (1) The city police chief, if required, shall investigate the applicant as necessary to satisfy himself that there are no outstanding criminal charges against the applicant and that the business to be conducted is not intended to cheat or defraud the public. Upon making such determination to his satisfaction, he shall indicate his approval in writing upon the application. A license shall not be issued unless such approval has been obtained. In all cases where the certification of the chief of police is required prior to the issuance of any license by the city clerk, such certification shall be based upon a finding that the person making application for such license has the propensity on the part of the person to serve the public in the licensed area in a fair, honest, and open manner.
- (2) The city treasurer, if required, shall determine if the applicant, or the owner of the property where the applicant proposes to do business, owes to the city any taxes or other indebtedness, and if no such indebtedness exists, shall so indicate his findings in writing on the application form. A license shall not be issued where indebtedness is reported.
- (3) The city planner or zoning official, if required, shall determine if the property to be used is appropriately zoned for such business and shall indicate his approval in writing upon the application. A license shall not be issued without such approval.
- (4) The city attorney, if required, shall review the application and supporting materials as required in section 34-54 and shall indicate his approval in writing on the application. A license may not be issued without such approval.
- (5) The fire chief/fire inspector, if required, shall determine as to habitability/safety concerns if necessary, and all fireworks sales. A license may not be issued without such approval. In all cases where the certification of the fire chief is required prior to the issuance of any license by the city

clerk, such certification shall be based upon an actual inspection and a finding that the premises in which the person making application for such license proposes to conduct or is conducting the trade, profession, business or privilege comply with all the fire regulations of the state and of the city.

- (6) The city engineer and/or public works superintendent, if required, shall determine in all cases where the carrying on of the trade, profession, businesses or privilege involves the use of any structure or land, a license therefor shall not be issued until the city engineer and/or public works superintendent shall certify that the proposed use is not prohibited by this Code or any zoning regulation of the city.

(Code 1999, § 6.5.03)

Sec. 12-28. - Multiple businesses.

The granting of a license or permit to any person operating, conducting or carrying on any trade, profession, business or privilege which contains within itself, or is composed of, trades, professions, businesses or privileges which are required by this Code to be licensed, shall not relieve the person to whom such license or permit is granted from the necessity of securing individual licenses or permits for each such trade, profession, business or privilege.

(Code 1999, § 6.5.04)

Sec. 12-29. - State-licensed businesses.

The fact that a license or permit has been granted to any person by the state to engage in the operation, conduct or carrying on of any trade, profession, business or privilege shall not exempt such person from the necessity of securing a license or permit from the city if such license or permit is required by this Code.

(Code 1999, § 6.5.05)

Sec. 12-30. - License application.

Unless otherwise provided in this Code, every person required to obtain a license from the city to engage in the operation, conduct or carrying on of any trade, profession, business or privilege shall make application for said license to the city clerk upon forms provided by the city clerk and shall state under oath or affirmation such facts as may be required for, or applicable to, the granting of such license.

(Code 1999, § 6.5.06)

Sec. 12-31. - License year.

The license year shall begin May 1 of each year and shall terminate at 12:00 midnight on April 30 of the following year. In all cases where the provisions of this article permit the issuance of licenses for periods of less than one year, the effective date of such licenses shall commence with the date of issuance thereof.

(Code 1999, § 6.5.07)

Sec. 12-32. - Conditions for issuance.

No license or permit required by this Code shall be issued to any person who is required to have a license or permit from the state until such person shall submit evidence of such state license or permit and proof that all fees appertaining thereto have been paid. No license shall be granted to any applicant therefor until such applicant has complied with all of the provisions of this Code applicable to the trade, profession, business or privilege for which application for license is made.

(Code 1999, § 6.5.08)

Sec. 12-33. - Where certification required.

No license shall be granted where the certification of any officer of the city is required prior to the issuance thereof, until such certification is made.

(Code 1999, § 6.5.09)

Sec. 12-34. - County health officer's certificate.

In all cases where the certification of the county health officer is required prior to the issuance of any license by the city clerk, such certification shall be based upon an actual inspection and a finding that the person making application and the premises in which he proposes to conduct or is conducting the trade, profession, business or privilege comply with all the sanitary requirements of the state and of the city.

(Code 1999, § 6.5.10)

Sec. 12-35. - Fees and bonds.

- (a) The fee required to be paid to obtain any license to engage in the operation, conduct, or carrying on of any trade, profession, business or privilege for which a license is required by the provisions of this Code shall be as currently established or as hereafter adopted by resolution of the city commission from time to time. No license shall be issued to any applicant unless he first pays to the city clerk the fee and posts a bond in the amount required for the type of license desired.
- (b) Fees for licenses shall be established each year in the fee schedule adopted by the city commission as part of the city's annual budget. Bonds, where required, shall be in the amounts listed in the fee schedule.
- (c) Where the provisions of this Code require that the applicant for any license or permit furnish a bond, such bond shall be furnished in an amount as currently established or as hereafter adopted by resolution of the city commission from time to time; and the form of such bond shall be acceptable to the city attorney. In lieu of a bond, an applicant for a license or permit may furnish one or more policies of insurance in the same amounts and providing the same protection as called for in any such bond; any such policies of insurance shall be approved as to substance by the city official issuing said license or permit and as to form by the city attorney.

(Code 1999, §§ 6.5.14, 6.6.01, 6.6.02)

Sec. 12-36. - Late renewals.

All fees for the renewal of any license which are not paid at the time said fees are due shall be paid as late fees at the rate of 110 percent of the license fee required for such license under the provisions of this chapter.

(Code 1999, § 6.5.15)

Sec. 12-37. - Right to issuance.

If the application for any license is approved by the proper officers of the city, as provided in this Code, said license shall be granted and shall serve as a receipt for payment of the fee prescribed for such licenses.

Sec. 12-38. - Fees—Payment.

The fee required by this Code for any license or permit shall be paid at the office of the issuing authority prescribed in this Code upon or before the granting of said license or permit.

(Code 1999, § 6.5.17)

Sec. 12-39. - Same—Exempt persons.

No license fee shall be required from any person exempt from such fee by state or federal law. Such persons shall comply with all other provisions of this article. The city clerk shall, in all such cases, issue to such persons licenses which are clearly marked as to said exemption and the reason therefor.

(Code 1999, § 6.5.18)

Sec. 12-40. - Suspension or revocation.

Any license issued by the city may be suspended by the city manager for cause, and any permit issued by the city may be suspended or revoked by the issuing authority for cause. The licensee shall have the right to a hearing before the commission on any such action of the city manager, provided a written request therefor is filed with the city clerk within five days after receipt of said notice of suspension. The commission may confirm such suspension or revoke or reinstate any such license. The action taken by the commission shall be final.
