

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**May 2, 2018**

For More Information:  
**Engineering Department / 228-0440**

### **US 41 WORK TO BEGIN MAY 7**

Beginning at 7:00 a.m. on Monday, May 7, 2018 US41 east of McClellan Avenue to the Altamont Street overpass will see a restart of construction activities. Those items not completed last year due to weather and other unforeseen circumstances will be completed.

Traffic control will consist of lane shifts and flag control. There are no plans to close any of the streets in the area. All work for this project will be completed in three weeks.

The public is reminded to pay close attention to all traffic control signage, lane divider barrels and cones, and to be aware of all construction workers/equipment in the construction zone.

Bacco Construction Company is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
