

PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release
June 26, 2018

For More Information:
Engineering Department / 228-0440

UTILITY WORK PLANNED ALONG HOMESTEAD STREET

Beginning at 7 a.m. on Thursday, June 28, Homestead Street, between Wilson Street and a point midway between the two driveways at Norlite Nursing Center, will experience intermittent street closures due to utility work.

When the street is closed, the detour will direct traffic for those traveling to Wilson Street by means of Grove Street, Forest Park Drive, and onto Wilson Street. Traffic that require access to the Norlite Nursing Center can use Homestead Street off of Grove. The public is advised to use caution when traveling through this area and to be alert for construction, detour and advisory signing.

A detour route schematic can be accessed via the City website (www.marquettemi.gov) through the Engineering Division page, under the Homestead Street Reconstruction Project link.

Smith Construction Company is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
