LINCOLN AVENUE DISRUPTIONS AND CLOSURES

Beginning at 7:00 a.m. on Tuesday, August 14, 2018 Oberstar, Inc. will be removing partial sections of curbing and proceeding with sanitary sewer lateral replacement on Lincoln Avenue from College Avenue to Center Street. This work is the prerequisite for the milling and overlaying for this street. This work will be done with intermediate road closures and the public is urged to use extreme caution and follow all warning signs, lane shifts, and other traffic control measures. The work is expected to last three weeks for this phase of the project. Additional announcements will be forthcoming for mill and overlay activities.

The City of Marquette asks you for your patience during this process.
