**RE:** Island no parking signs

Recently, "no parking at any time" signs have been installed on Peter White Drive in the areas of Black Rocks and Sunset Point on the Island. Problems with vehicles parked on the roadway in that area have made it difficult for vehicles to pass through and emergency vehicles to respond to incidents on the Island. Motorists are reminded that parking on the roadway of Peter White Drive is prohibited and violations of this can include a parking citation, impeding traffic citation, and having their vehicle towed.

Thank you,
