Message from Mike

In each issue, the Marquette City Manager shares his comments in the form of a column. This issue, City Manager Mike Angeli (pictured right) shares comments on the summer season in the City. City Manager Angeli can be reached at 906-228-0435.

Welcome back students and especially those that are new to NMU. Marquette is a bustling place and, because the summer is not quite over, many areas of construction still exist. For example, there is still some significant road work on Presque Isle Avenue and in Presque Isle Park that I'm sure will affect your day.

Speaking of Presque Isle Park, this is a popular destination for old and newcomers alike. Especially Black Rocks, where jumping from the high rocks into Lake Superior has become somewhat of a rite of passage and leads me to mention the perils of Lake Superior. Please take the time to familiarize yourself with the lake and its potential dangers. The locals are well aware, but sometimes the draw of its beauty underscores the lake's awesome power that is often not evident at first glance. So please take the time to learn before you leap. As a side note, you might want to pay attention to parking restrictions in that area as well.

Late summer and fall continue to be a busy time for us here at the City. Due to the short construction season, we are often hurrying to finish projects while planning ahead for the next season. I'm sure that the new construction at Founders Landing will catch your eye and, if all goes as planned, we hope to have one more project there next summer. Housing close to downtown seems to be the area of emphasis, but housing growth in general is something that you're also likely to see.

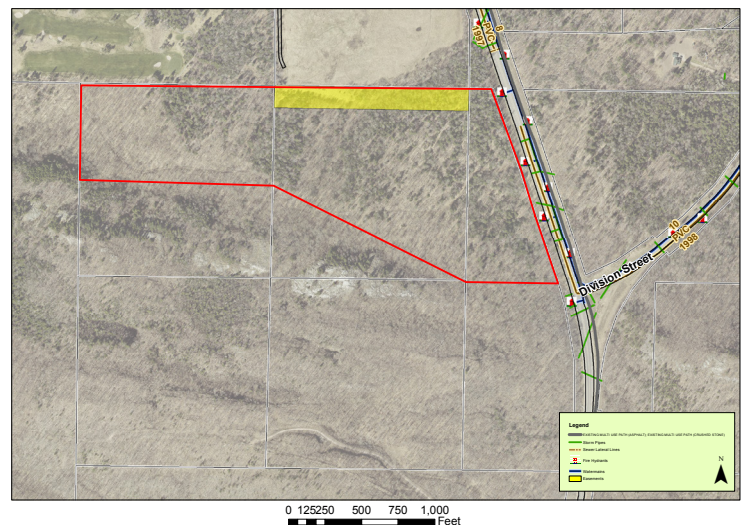

The City is also working to develop some larger parcels of land in the Heartwood Forestland. This is an approximate

2400 acre tract near the south City limits and Marquette Mountain Ski Hill and is also the heart of the NTN trail biking network. We realize the tremendous popularity and value of the network to both locals and visitors alike and are working hand in hand with the Noquemanon Trail Network to ensure its continued appeal and success.

This area is likely to see light industrial use and some new housing as well. In any case, my thanks to all for living in or just visiting our fine City and I hope you enjoy your time here no matter your interests.

New Shirt Launching!

In May, the City of Marquette launched a local merchandise program called "These Goods are Good for Marquette", inspired by the Michigan Department of Natural Resources "These Goods are Good for Michigan" program, to foster support for Marquette parks and landmarks.

The first two T-shirts in the series featured graphics designed by local artist, That Girl Amber, representing Presque Isle Park and Blackrocks. The third T-shirt (pictured right), also designed by That Girl Amber, will feature the Lower Harbor Ore Dock and is planned to launch over Labor Day weekend. Please see MQTMerch.com for more information.

City Commission Meetings

The Commission usually meets the second and last Monday of each month at 6 p.m. in the City Hall Commission Chambers at 300 W. Baraga Avenue, unless otherwise noted. Citizens are invited to attend.

Regular Meetings:

Monday, Sept. 10, 2018, 6 p.m.
Monday, Sept. 24, 2018, 6 p.m.
Tuesday, Oct. 9, 2018, 6 p.m.
Monday, Oct. 29, 2018, 6 p.m.

Meetings are televised on local (Charter Cable) Channel 191. Additional meetings may be called, and changes may be made in accordance with the City Charter. Notices will be posted for such changes in compliance with Public Act 267 of 1976.

Interested in serving your community?

The City of Marquette has several openings for various volunteer advisory boards and committees.

Check out the City's website for an application and the most up-to-date vacancy information: marquettemi.gov/commission/boards-and-committees/vacancies/

• Board of Zoning Appeals	Five Openings
• Board of Review	One Opening
• Brownfield Redevelopment Authority	One Opening
• Election Board	One Opening
• Harbor Advisory Committee	Four Openings
• Investment Advisory Board	Two Openings
• Local Development Finance Authority	Three Openings
• Local Officers Compensation Commission	Two Openings

Holiday Closure

City offices located at Marquette City Hall, 300 W. Baraga Ave.; the Lakeview Arena, 401 E. Fair Ave.; the Municipal Service Center, 1100 Wright St.; and the Marquette Arts & Culture Center, 217 N. Front St. (Peter White Public Library) will be closed on Sept. 3 for the Labor Day holiday. The Fire, Police and Public Works and Utilities Departments will remain open and staffed during this time.

Manager Open Office Hours

City Manager Mike Angeli holds community office hours on the second Wednesday of each month, from 10 a.m. until noon in the Dandelion Cottage Room, located on the first floor off of the Huron Mountain Gallery of the Peter White Public Library. The next community office hours sessions are scheduled for Sept. 12 and Oct. 10.

The meetings are intended to provide informal opportunities to discuss issues within the community, and to give citizens a chance for direct dialogue with City staff about interests and concerns.

Rental Inspection Reminder

City Code (Ordinance #667) requires all rental dwelling units to be registered, inspected and certified with the City of Marquette. Any structure or dwelling unit that is occupied by persons other than the property owner, pursuant to any oral or written rental or lease agreement or other valuable compensation, is considered a rental dwelling unit. Rental properties are required to meet City Code requirements for fire safety as well as Zoning Ordinance requirements.

New long-term rentals (30 days or more) must be registered prior to any occupancy. Currently rented long-term rentals that change ownership must be registered by the new owner within 30 days of purchase.

Short-term rentals (less than 30 days) must be registered, approved, inspected and certified prior to advertising or use as a short-term rental. Proximity restrictions apply for all short-term rentals.

Registration forms and information can be obtained online at www.marquettemi.gov/departments/fire/inspections/, in person at the Marquette City Fire Department, 418 S. Third Street between the hours of 8 a.m. - 5 p.m., by phone (906-225-8596 or 906-225-8941) or by emailing fire@marquettemi.gov.

City Developing a Stormwater Management Plan

The City, in partnership with GEI Consultants, Inc. and the Superior Watershed Partnership, is developing a comprehensive Stormwater Management Plan (SWMP) with the assistance of a Michigan Department of Environmental Quality Stormwater, Asset Management, Wastewater Grant. The key plan components include preparation of an operational and maintenance manual, non-point source pollution mapping and a Whetstone Brook stream evaluation. The ultimate goal of a Stormwater Management Plan is to provide a roadmap to improve water quality and to reduce flooding throughout the City. A benefit of the SWMP is that the information provided can assist in future grants to protect one of Marquette's greatest assets, Lake Superior. The Stormwater Management Plan will be available on the City website this fall. For more information please contact the Director of Municipal Utilities, Curt Goodman, at cgoodman@marquettemi.gov or 906-225-4055.

As a part of the SWMP, the City and the Superior Watershed Partnership will be providing additional stormwater education resources for City residents and business owners over the coming months. Stormwater is the rain and melting snow that runs off lawns, roofs, roads and parking lots and into watersheds. In Marquette, virtually all of this stormwater ends up in Lake Superior either through natural drainage or through the stormwater drains you see along the roadside. There are over 3,000 storm drains in Marquette. In addition to field projects, volunteer events and school activities, look for a series of articles on what you can do to help keep our stormwater as clean as possible. Topics include; around the house, lawn and garden care, pet waste, water conservation techniques, reducing cigarette butt litter and new community engagement opportunities. These educational articles will be printed locally and will also be available on the City website (marquettemi.gov) and the SWP website (www.superiorwatersheds.org). Remember stormwater is a resource we all need to protect!

Lakeview Stormwater Outfall

City Wrapping Up 2018 Beach Monitoring

As part of the Beaches Environmental Assessment and Coastal Health Act of 2000 (Beach Act), the Environmental Protection Agency, in partnership with state and local governments, provides grant funding to monitor the nation's beach water quality. Since the implementation of the Beach Act, the City of Marquette has annually conducted beach monitoring at the City's five beaches which include: Tourist Park, Clark Lambros' Beach Park, North Beach, McCarty's Cove and South Beach.

Each season, water quality is monitored for e. coli, the indicator of potential risk to swimmers. The maximum allowable e. coli count is a mean of 300 per 100 mL for any sample event (a set of three samples) or a 30-day average mean of over 130 per 100 mL. In 2018, there were no reported closures. Beach monitoring results can be found on the City's website at marquettemi.gov/municipal-utilities/. For more information on the city's beach monitoring program, please contact the Director of Municipal Utilities, Curt Goodman at cgoodman@marquettemi.gov or 906-225-4055.

Off-Leash Area Permits

The City's off-leash area, located at Tourist Park, is open to the public from Nov. 1 through April 30 each year.

Anyone interested in obtaining an OLA permit can pick one up at the City Clerk's Office in City Hall. You must bring your current dog license. If you don't have a current dog license, the Clerk's Office can issue you one upon presentation of an up-to-date rabies vaccination certificate. Dog licenses cost \$8 for one year and \$20 for three years (if the animal is not spayed or

neutered, the cost is \$16 and \$40). All licenses expire with the rabies expiration and must be renewed at that point. Licenses are required by state law for all dogs and cats even if they don't leave the owner's property.

Annual fees for the OLA permits remain unchanged from the previous season, City residents will pay \$15 per dog and nonresident fees are set at \$20 per dog.

Primary Election Recap

More than 4,200 City of Marquette residents cast votes in this year's August Primary election. Voters made choices in primary contests on both local and state levels, including in races for City Commission and Governor. Locally, millage proposals concerning Senior Services, Search and Rescue and Central Dispatch all passed.

In the City Commission primary, four candidates, Margaret Brumm, Jenn Hill, Mike Plourde and Jenna Smith (pictured left to right below), moved on to the November General election, where two will secure three-year seats on the City Commission.

General Election Preview

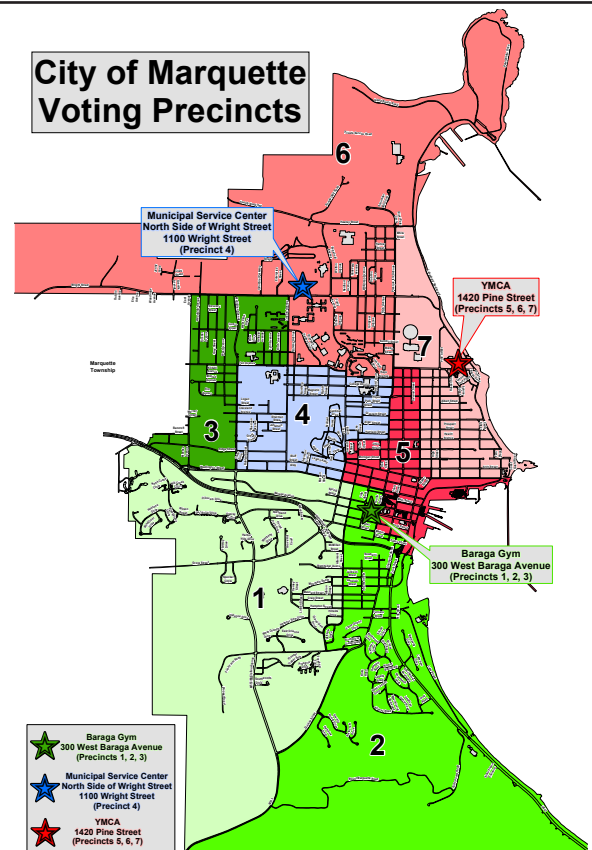

The City Clerk's Office is now busy preparing for the November General Election, scheduled for Tuesday, Nov. 6.

Locally, November's ballot will include contests for the Marquette City Commission and Marquette Board of Light and Power, as well as for Michigan's 109th State House seat and 38th State Senate District.

Statewide, voters will make choices in the race for Governor, as well as for U.S. House of Representatives and U.S. Senate. There may also be several statewide proposals on the November ballot.

In order to vote in November, citizens must be registered by Tuesday, Oct. 9. You can check your registration status online at www.michigan.gov/vote.

Absentee ballots are available through the City Clerk's Office and will begin going out in early October. Questions can be directed to the Clerk at 906-228-0430.

Fall Farmers Market

See you in September at the Downtown Marquette Farmers Market! Actually, we hope to see you each week, through Dec. 15, at the Marquette Commons for the market. The Farmers Market operating hours are every Saturday from 9 a.m.-1 p.m.

It is a very colorful time at the market in September and October. This is the time of the year to enjoy the bountiful harvest of summer and to prepare for the long cold days of winter. There is still plenty of the warm weather produce such as sweet corn, melons, tomatoes, peppers and cucumbers. As the weeks pass, more fall food will come into season from squash of every color, shape and size to abundant root vegetables including parsnips, turnips, beets, carrots, rutabagas and radishes. Many of the vegetables varieties, colors and shapes are uniquely available at the Farmers Market and are transported just a short distance from the growing field to the market selling table.

The Farmers Market is also the place to purchase seasonal decorations and find one of a kind gifts.

September and October will be busy times at the market. Power of Produce continues through Sept. 22. Children ages 4-12 are invited to participate by signing up at the Power of Produce table at the market. Each week children can taste a new type of produce, learn a bit about it, join in on an activity and then receive \$2.00 in Power of Produce bucks to shop for their own choice of vegetable or fruit. Power of Produce is generously sponsored by the Upper Peninsula Health Plan, Orthodontics of Marquette, Lions Clubs of Ishpeming, Lions Club of Negaunee and ACHIEVE of Marquette County. Volunteers for the program are from Partridge Creek Farm.

Cooking demonstrations featuring market available food will continue in September and October as well as other market programming. Shop each week to check out what is happening, visit the market website (mqtfarmersmarket.com) or Facebook page ([facebook.com/downtownmqtfarmersmarket/](https://www.facebook.com/downtownmqtfarmersmarket/)) for weekly updates. Live music is performed weekly from 10 a.m.-1 p.m. The Downtown Marquette Farmers Market accepts cash, credit/debit cards, WIC Project FRESH, Senior Market FRESH, SNAP and distributes Double Up Food Bucks and Hoophouses for Health cards. See you at the market!

Baraga Avenue Harvest Festival

In celebration of fall and its bountiful beauty, the Baraga Avenue Harvest Festival, sponsored by Meijer, is planned for Saturday, Oct. 6 from 3-7 p.m. The Baraga Harvest Festival is sure to have something for everyone and will feature a food truck rally, carousel rides and bounce houses for the kids, live music, a pasty eating contest, a petting zoo and more! The Upper Peninsula Children's Museum will host their annual chalk painting contest again as well. Mark your calendars for this fun-filled event and watch the Downtown Marquette page on Facebook (facebook.com/downtownmarquette/) for additional details and attractions.

Downtown September and October Events

Summer may be over, but there are still lots of events happening in and around Marquette's Downtown District in September and October.

- Marquette Marathon, Saturday, Sept. 1- www.marquettemarathon.com
- Marquette Craft Beer Week, Monday, Sept. 2 to Friday, Sept. 8 - www.upcraftbeerweek.com
- U.P. Fall Beer Festival, Saturday, Sept. 8, 1-6 p.m. - www.mibeer.com
- Strut your Mutt, Saturday, Sept. 15, 9 a.m.- 6 p.m.- www.upaws.org
- Baraga Avenue Harvest Festival, Saturday, Oct. 6, 3-7 p.m.- www.downtownmarquette.org
- Fresh Coast Film Festival, Thursday, Oct. 18 to Sunday, Oct. 21- www.freshcoastfilm.com
- Downtown Trick or Treat, Saturday, Oct. 27, 4-6 p.m.- www.downtownmarquette.org

The City of Marquette Arts and Culture Center (MACC) is located in the lower level of the Peter White Public Library at 217 N. Front St. in Marquette. For more information or questions on any of the articles on this page or the following, please call 906-228-0472 or email arts-culture@marquettemi.gov.

MACC Renovation Update

The City of Marquette Arts and Culture Center (MACC) galleries and workshop spaces will remain closed to the public during the Library's lower level renovations.

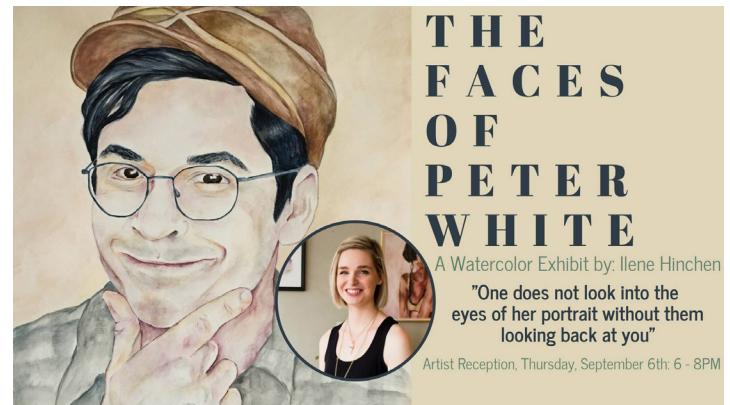

Staff anticipate returning to the newly renovated MACC in November, with Creative Community programming starting back up on Monday, Dec. 3. Groups interested in reserving space in the new MACC can contact Tristan Luoma at tluoma@marquettemi.gov or 906-225-8655. Previous user groups will be contacted by the MACC office in the coming weeks with full information about the renovated space, revised reservation guidelines and policies and information on how to request a room moving forward.

A special open house will be held at the MACC on Saturday, Dec. 1 from 12-4 p.m. to celebrate the reopening.

"The Faces of Peter White" Exhibiton

The City of Marquette Arts and Culture Center, together with Peter White Public Library, announces an exhibition to be held in the PWPL Huron Mountain gallery during the month of September. The exhibit, "The Faces of Peter White," features portraits of MACC and PWPL employees produced by watercolor artist Ilene Hinchén. Hinchén's portraits not only capture the facial features of the individual, but also seizes their personality, soul and charm for an eternity to come.

An opening reception will be held on Thursday, Sept. 6 from 6- 8 p.m. in the PWPL Huron Mountain Gallery. The exhibit and reception are both free and open to the public.

Bachfest Marquette

The City of Marquette Arts and Culture Center, together with local musician and co-organizer Nancy Railey, is proud to present BachFest Marquette. BachFest is a season-long festival which celebrates the life and lasting legacy of famed composer J.S. Bach, as well as highlights the fantastic musical and artistic talent in our community. The Festival will run from September until December and will feature 10 unique musical events intended to inspire and engage listeners of all ages with the power of classical music.

Featured events include a collage concert for MAPS middle and high school students, performances by the Marquette Symphony Orchestra and Marquette Choral Society, piano and organ recitals, a jazzy Bach & Brews at Ore Dock Brewing Company and a youth recital and art exhibition. Most events are free and open to the public, thanks in part to grant support from the Michigan Council for Arts and Cultural Affairs.

Up to date information about all BachFest events can be found at <https://www.marquette365.com/event/bachfest-marquette/>.

Senior Visual Arts Series

Senior Visual Arts classes are typically offered on the first and third Tuesday of each month from 1-3 p.m. at the City of Marquette Senior Center, located in the lower level of City Hall.

Tuesday, Sept. 4 – Wood-burning with Diane Kribs-Mays

Tuesday, Sept. 18 – Wood-burning with Diane Kribs-Mays

Tuesday, Oct. 2 – Buttons & Baubles Jewelry Making with Kelly Mallet

Tuesday, Oct. 16 – Buttons & Baubles Jewelry Making with Kelly Mallet

Managing Grief Through the Holidays

The Senior Center, along with Lake Superior Life Care Hospice, is pleased to present a one-hour presentation titled Managing Grief through the Holidays on Wednesday, Oct. 10 at 11:30 a.m. in Room B of the Senior Center.

Research indicates that those who have the most difficult time with holiday grief are those who do not plan ahead. The workshop is designed to help simplify the season and therefore make the holidays a little less stressful.

Topics include:

Helping a Friend Who Is Grieving the Loss of a Loved One

Managing Grief the First Holiday After a Loss

Seniors Grieve Differently

Holiday Help List

Grief, Gratitude and Generosity

Accepting the Past, Enlarging the Future

The presentation is free of charge. Pre-registration is appreciated. Call 228-0456 today!

Are You in the Best Prescription Drug Plan for 2019?

Each year, Medicare beneficiaries have an opportunity to enroll in a prescription drug plan for the new calendar year. While individuals may stay with their current plan, the Michigan Medicare/Medicaid Assistance Program (MMAP) recommends reviewing your options each year.

Anyone who joined a Medicare prescription drug plan last year, will soon receive an annual notice of change from the company with which they have drug coverage. Read this carefully as this notice will identify whether the plan is changing their premiums, co-pays, deductibles and/or the medications they will cover. You will need to make sure that the medications you are currently taking will still be covered by your plan in 2019. If you need help understanding the notice, call a MMAP counselor for assistance.

Beneficiaries should take the time to answer these questions:

COST: Will your premium and costs change significantly in 2019?

COVERAGE: Do you need more coverage in 2019? Will the prescriptions you are taking be covered by your current plan in 2019?

CUSTOMER SERVICE: Are you satisfied with your plan's service?

OPTIONS: Are there better plans available for my specific needs?

Open enrollment begins Oct. 15 and ends on Dec. 7. This is the time to change plans, if you chose, for the 2019 calendar year. Beneficiaries who did not join a Medicare drug plan during their initial open enrollment period may also now apply for a drug plan.

The social workers at the Senior Center are certified MMAP counselors and are well-trained in the Medicare drug program. They provide assistance and counseling to Medicare beneficiaries and their families at no charge. MMAP counselors do not sell or endorse any insurance plan. MMAP Counselors can also determine if you are eligible for programs that may assist you in paying your Medicare costs. Call the Senior Center today to schedule an appointment at 906-228-0456.

Fire Prevention Week

Please join us on Saturday, Oct. 6 at Harlow Park on Bluff St. and Washington St. for the firetruck static display during Fire Prevention Week. The static display will start at 11 a.m. and the parade will be on Washington Street from Seventh Street to McClellan Avenue at 12:30 p.m. The event will feature fire trucks, rescue vehicles, activities, Sparky the Dog, refreshments and a bike raffle! The rain date for this event will be on Oct. 13.

The 2018 Fire Prevention Week campaign, "Look. Listen. Be aware. Fire can happen anywhere", works to educate people about three basic, but essential, steps to take to reduce the likelihood of having a fire and how to escape safely in the event of one.

"LOOK" for places a fire could start. Take a good look around your home. Identify potential fire hazards and take care of them.

"LISTEN" for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. Go to your outside meeting place, which should be a safe distance from the home, where everyone should know to meet.

"LEARN" two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter.

About Fire Prevention Week

Since 1922, the NFPA has sponsored the public observance of Fire Prevention Week. In 1925, President Calvin Coolidge proclaimed Fire Prevention Week a national observance, making it the longest-running public health observance in our country. During Fire Prevention Week, children, adults and teachers learn how to stay safe in case of a fire. Firefighters provide lifesaving public education in an effort to drastically decrease casualties caused by fires.

Fire Prevention Week is observed each year during the week of Oct. 9 in commemoration of the Great Chicago Fire, which began on Oct. 8, 1871, and caused devastating damage. This horrific conflagration killed more than 250 people, left 100,000 homeless, destroyed more than 17,400 structures and burned more than 2,000 acres of land. For more information on Fire Prevention Week, please visit: <https://www.nfpa.org/fpw/index.html>

LOOK. LISTEN. LEARN.

Be aware.
Fire can happen anywhere.™

2018 Fall Yard Waste & Brush Collection

Properties paying the "Solid Waste" fee on their monthly utility bills (green bag or cart users) are eligible to dispose of yard waste through this collection. Owners and tenants of properties not paying the fee should contact their regular waste hauler for service. This service is supported by fees, not taxes.

All residents are asked to observe the following rules to provide for a safe, efficient cleanup:

1. These collections are for brush, leaves, grass clippings and garden debris only. NO rubbish is allowed. All collected material will be composted. Material is not to be placed curbside more than one week prior to pick up date. Material MUST be placed curbside prior to 7 a.m. of the scheduled pick up date. If crews are ahead of schedule, they will return on your scheduled day to collect.
2. Pile yard waste on the lawn next to the street edge, NOT in the gutter or on street pavement. Keep yard waste in front of your own property. Do NOT pile on vacant adjacent properties. Motorists are asked to avoid parking in positions that block access to leaf piles or they will not be picked up.
3. Brush will be collected Oct. 22–26. The volume from each property is limited to one pickup load, a pile approx. 12'L x 6'W x 5'H.
4. Crews will collect loose or paper landscaping bagged leaves Oct. 29 – Nov. 2. Crews will return to the same routes Nov. 5-9 and collect loose or paper landscaping bagged leaves again. If you choose to bag your yard debris, only paper landscape yard waste bags are permitted. Plastic bags will not be collected. Bags containing garbage or other rubbish mixed with the yard waste will not be collected.
5. The City will not collect material after the last date listed below for each route. Residents are asked to deliver it to the composting site at 1415 Pioneer Rd. The site is open Tuesdays from 3–7 p.m. and Saturdays from 9 a.m.- 1 p.m. The site closes Nov. 10 for the season, weather permitting. Notification of the exact date will be sent out via public service announcement. Any yard waste will be accepted but brush will be limited to one pickup load per day. Proof of solid waste fee payment and ID is required for admittance.

The following are dates of the City of Marquette's brush and leaf collection. Crews will collect brush during week one and leaves (bagged or loose) during weeks two and three.

	WEEK 1	WEEK 2	WEEK 3	
	<i>Brush Only</i>	<i>Leaves (Bagged or Loose)</i>	<i>Leaves (Bagged or Loose)</i>	<i>Neighborhood</i>
Mon.	Oct. 22	Oct. 29	Nov. 5	All streets north of Fair Ave.
Tue.	Oct. 23	Oct. 30	Nov. 6	East Marquette bounded by and including Front St. on the west, Fair Ave on the North and Baraga Ave on the south.
Weds.	Oct. 24	Oct. 31	Nov. 7	The area west of Front St and north of US 41 Bypass bounded by and including Fair Ave on the north and Seventh St. on the west.
Thurs.	Oct. 25	Nov. 1	Nov. 8	All streets south of US 41 bypass.
Fri.	Oct. 26	Nov. 2	Nov. 9	The area west of Seventh St and north of US 41 Bypass bounded by and including Fair Ave on the north.

Open burning is not permitted in the City of Marquette
