Engineering Department / 228-0440

LINCOLN AVENUE CLOSURE (COLLEGE AVENUE TO FAIR AVENUE)

Beginning at 7 a.m. on Monday, Sep. 10, Oberstar, Inc. will be replacing curb on Lincoln Avenue from College Avenue to Fair Avenue. In addition, storm water-related work will be in progress just south of the Fair Avenue intersection. This work is the prerequisite for the milling and overlaying for this street. This work will be done with a three-day road closure and the public is urged to use extreme caution and follow all warning signs and other traffic control measures. Additional announcements will be forthcoming for mill and overlay activities.

The City of Marquette asks you for your patience during this process.
