WRIGHT STREET DISRUPTIONS AND LANE SHIFTS STARTING MONDAY

Beginning at 7 a.m. on Monday, Oct. 15, Oberstar, Inc. will be removing partial sections of curbing on Wright Street immediately west of Ontario Avenue. This work is the prerequisite for the asphalt milling and overlaying of this street. This work will be done using lane closures and lane shifts. Wright Street will remain open to through traffic throughout this phase of the project. The public is urged to use extreme caution and follow all warning signs, lane shifts, and other traffic control measures. The work is expected to last one week for this phase of the project.

The City of Marquette asks you for your patience during this process.
