GARBAGE AND RECYCLE CART DELIVERY SET FOR NOV. 5 AND 6

On Nov. 5 and 6, Waste Management will be delivering carts to residents that elected to enroll in the cart system during the fall signup. Residents that ordered 64-gallon recycle carts after the Sept. 4 deadline will be receiving the garbage cart only. The recycle cart(s) will be delivered near the end of November due to an order delay.

Carts will be placed on the curb and can be used immediately. Any further orders received are subject to availability and pickup will be required at a to-be-determined location.
