

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**November 2, 2018**

For More Information:  
**Engineering Department / 228-0440**

### **TRAFFIC DISRUPTIONS LIKELY DURING SOIL BORING**

Beginning Monday, Nov. 5, various areas in the City of Marquette will experience traffic disruptions due to soil boring operations. Tri Media Consultants will be performing soil boring sampling for future street reconstruction projects. The public is advised to use caution when traveling through these areas and be aware of all flagging and traffic control. Work will be continuing throughout the week at the following dates and locations:

#### **Monday, Nov. 5**

- Kaye Avenue from Presque Isle Avenue to Third Street
- Front Street from Park Street to Magnetic Street
- Front Street from Ohio Street to Hewitt Avenue
- Front Street from Arch Street to Michigan Street
- Altamont Street from McMillan Street to Blemhuber Avenue

#### **Tuesday, Nov. 6**

- Park Street from Lee Street to Fourth Street
- Coast Guard Road from Arch Street to Michigan Street
- Arch Street from Coast Guard Road to Lakeshore Boulevard

#### **Wednesday, Nov. 7**

- Third Street from Baraga Avenue to Fisher Street

Be advised that the weather may delay these operations until the next available day.
