

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release

**March 14, 2019**

For More Information:

**Marquette Senior Center / 228-0456**

### **MAUREEN SULLIVAN JOINS CITY AS SENIOR SERVICES MANAGER**

The Community Services Department is delighted to welcome Maureen Sullivan as the new Senior Services Manager. She brings experience in programming and a passion for serving our U.P. communities.

Prior to joining the City, she served as Health and Recreation Advocate for the Superior Alliance for Independent Living (SAIL). During her time there, she expanded health and recreation programs across the U.P. for persons with disabilities. This included paddling, skiing and Veterans' services. Before her time at SAIL Maureen worked for Northern Michigan University as an Exercise Assistant and assisted with a variety of senior programming.

Originally from Alaska, Maureen earned a Bachelor of Science Degree from Northern Michigan University in 2016, majoring in Management of Health and Fitness with a Minor in Dance. Maureen has served on a variety of boards, including the Parks and Recreation Advisory Board for the City of Marquette, and she is the founder of Upper Peninsula Dance Outreach, a company providing dance programming and education to children in rural areas of the U.P.

"I am thrilled to join the Community Services team and have the opportunity to serve our communities seniors," Maureen said.
