WATER BILL DUE DATES SHIFTED DUE TO NETWORK TROUBLES

Due to computer network issues, the water bills printed on Oct. 31 were mailed on Nov. 4. The due date printed on these bills is Nov. 21, but this due date is being extended to Nov. 25. Residents with autopay will have their payments withdrawn on Nov. 25.

Also, for bills due on Nov. 11, this is a federal holiday and the due date will be moved to Nov. 12. Residents on autopay will have their payment automatically withdrawn on this date instead.
