Application and Instructions for
PROMOTIONAL FUND DISBURSEMENTS

The City of Marquette City Code, Chapter 2 Administration, Division 3, Public Relations; Section 2-522 Policies and Procedures provides a mechanism for community stakeholders to submit for fee discount or waiver of City fees to be incorporated within the annual City Budget process for consideration by the City Commission.

Promotional funds are defined as fee waivers and/or in-kind services provided by the City and/or cash payments.

All recommendations for funding must be approved by the Marquette City Commission. Funding may not be approved for activities/projects retroactively, therefore, a time frame allowing approval by the Commission must be considered when requesting funds.

QUALIFYING CRITERIA:

All requests will be considered based on merit and intent to benefit tourism, economic development, or other community development objectives of the City of Marquette.

APPLICATION PROCEDURE:

Funds must be requested using the attached form. Funds also must be used for the specific purpose requested. Applications shall be submitted to the City's Community Services Director for preliminary review and then submitted to the City Manager. The City Manager's Recommended Budget will include those activities/projects the City Manager recommends for funding. The City Commission will approve requests through the adoption of the City Budget.

Each application will be evaluated based upon requirements of the City's Promotional Ordinance and proposed funding requirements. Any organization that submits more than one request will be considered based upon the sum total of all requests made for the fiscal year.

All applications intended for the next fiscal year Budget will be accepted from the period of February 1 through March 31 annually to be considered for the City's next fiscal year budget (October 1 through September 30). All applications must be received by March 31st.
