### MARQUETTE COUNTY LANDFILL - GUIDELINES FOR WASTE DISPOSAL

**Landfill hours are 7 a.m. to 3 p.m. Monday through Friday**

**ALL WASTE MUST BE GENERATED FROM MARQUETTE COUNTY ONLY**

**FOLLOW ALL SIGNS AND INSTRUCTIONS GIVEN BY LANDFILL EMPLOYEES**

---

### ALL LOADS MUST BE TARPED, NO EXCEPTIONS.

Tarps prevent debris from blowing out of the loads prior to arriving in the dumping area. **Loads will be turned away at the scale if it is not tarped.** Leave your load tarped until you arrive at the designated dump site.

### Upon Arrival:

Stop completely before SLOWLY driving onto the scale. Wait until the vehicle in front of you is completely off of the scale.

**Park** vehicle on scale. Make sure vehicle is within the scale boundaries. This includes your truck and trailer. **Leave** vehicle on scale. Go into the office to give your information to the scale operator.

**Stay in line!** Dump in the order that you came across the scale; do not cut in front of trucks that are waiting to dump. Stay in your vehicle while waiting to dump. **Dump between the “X” signs,** not on the “X” signs. **Charges will be assessed to loads dumped in the wrong locations.**

**Come back on to the scale after dumping or you will be charged the entire weight of your truck and trailer.**

---

### Safety Reminders:

- **SPEED LIMIT** ON THE MCSWMA PROPERTY is 15 MPH
- NO SMOKING is permitted on MCSWMA property
- LEAVE CHILDREN AND PETS AT HOME FOR THEIR SAFETY
- NO OPEN TOE OR DRESS SHOES, STEEL-TOE BOOTS recommended
- **STAY AWAY** from all equipment...Do not walk or drive near equipment. Do not pass landfill equipment on Authority property. Landfill equipment has the right of way.
- **STAY OUT** of trash/waste for your safety – NO SCAVENGING IS ALLOWED.
- LEAVE ANIMALS (birds) alone.

### The Following Waste is Prohibited in the Landfill:

- **Tires**—see schedule of fees
- **Yard/Compost Waste**—see schedule of fees
- **Refrigerant Devices**—see schedule of fees

For more information about prohibited waste see the Schedule of Fees.

---

I have read and agree to follow the Marquette County Landfill Guidelines for Waste Disposal. I also understand failure to do so may result in revoking of dumping privileges and/or additional charges for which I will be responsible. I also understand that the tipping fee for this disposal will be billed to the Municipality and the Municipality will bill the above authorized hauler directly. Tipping fees will be paid promptly upon receipt of billing from the Municipality. I also understand that failure to pay for such fees will result in suspension of landfill privileges and may initiate other actions as deemed necessary by the Municipality Board to recover unpaid amounts.

PERMIT

FOR DIRECT USE OF THE MARQUETTE COUNTY LANDFILL

The City of Marquette, a Municipal Corporation, of 300 West Baraga Avenue, Marquette, Michigan, the Grantor, and ______________________, of ______________________ Michigan, the Hauler, enter into this Agreement on ______________ , subject to the following conditions:

1. **Background.**

   a. Type III Solid Waste shall mean non-hazardous, non-toxic Type III materials, as regulated by Act 641 of the Public Acts of 1978. (Construction debris)

   b. Special Wastes as specifically defined in the “Waste Acceptance Policy” adopted by the Marquette County Solid Waste Management Authority (Examples: asbestos, dead animals, tires, medical waste, contaminated soil).

   c. Hauler shall conform to all existing and future laws, statutes, rules and regulations, whether promulgated by the federal, state or local governmental entity, or by the Authority governing the collection, transportation and disposal of solid waste.

   d. Any and all vehicles used by the Hauler in the collection, transportation and disposal of solid waste pursuant to this Agreement shall conform to any and all existing and future laws, statutes, ordinances, rules and regulations, whether promulgated by the federal, state or local governmental entities governing the operation of that vehicle.

   e. The Hauler and any designated representative will minimize safety hazards while at the landfill. Personal protective equipment such as boots and long pants are recommended due to the many mechanical and biological activities occurring at the landfill. The wearing of shorts and sandals is discouraged, as well as bringing children along.

2. **Grant of Permit.**

   a. Only Type III Solid Waste and Special Wastes generated within the County of Marquette shall be transported in a vehicle owned or operated by the Hauler when disposing of solid waste at the landfill pursuant to this agreement.
b. The Hauler shall pay to the City an annual administration fee to cover application and billing expenses associated with the direct utilization of the landfill. **This fee will be required at the time of authorization** and annually thereafter.

3. **Revocation.**

   a. This permit is revocable at the will of the Grantor.

   b. The hauler will have hauling privileges revoked if:

      i. It is discovered that waste generated outside Marquette County is being hauled using this permit;
      ii. There is a debt remaining unpaid after 30 days;
      iii. Proof of insurance has expired; or
      iv. The City is notified by the landfill of any repeated unsafe situation caused by the Hauler, or any designated representative of the Hauler.

   c. In the event of revocation of the Agreement by the Grantor, the Hauler will remain liable for any outstanding amounts incurred at the landfill during the term of the Agreement.

4. **Liability.**

   a. The Hauler does hereby release, waive, discharge, and covenants not to sue the City of Marquette, or its departments, offices, employees, and agents, from any and all liability to the Hauler, its officers, employees, agents, and any designated representatives for all losses, injuries, death or damage, and any claims or demands therefore, on account of injury to person or property, or resulting in death of Hauler, its officers, employees, agents, or designated representatives relating to this Permit.

   b. Hauler hereby further covenants and agrees to indemnify and save harmless, the City of Marquette, its departments, officers, employees, and agents, from any and all claims and demands, for any loss, injury, death or damage, that any person or entity may have or make, in any manner, arising out of any occurrence relating to:
      1. this Permit;
      2. the activities authorized by the Permit; and
      3. the use or occupancy of the premises which are the Subject of this Permit.

   This indemnification and save harmless agreement shall extend to all loss, injury, death or damage, proximately caused or arising out of the negligence of any party to this Permit.
5. **Indemnification.**

The Hauler agrees to indemnify, save harmless and defend the City, all officers, board members and employees thereof, from any and all claims of any kind, for injuries to or death of any and all persons, for loss of or damage to property, for damages arising out of violations by the Hauler of any statute, ordinance, rule or regulations governing the operation and use of the landfill, and from any and all claims which might be asserted against the City arising out of or in any way related to the negligence or lack of due care of the Hauler or any designated representative, and from attorneys’ fees and related costs arising there from, including, but not limited to, such claims or damages as might be asserted by reason of the collection, transportation and disposal of Solid waste by the Hauler or any designated representative.

6. **Insurance.**

   a. The Hauler shall provide proof of insurance at the time of authorization and an updated proof of insurance prior to or upon date of expiration.

   b. The Hauler agrees to maintain business auto liability insurance coverage for the vehicles involved in the collection, transportation and disposal of Solid Waste pursuant to this Agreement in the amount of One Million Dollars ($1,000,000.00). Hauler further agrees to maintain comprehensive general liability insurance for its activities surrounding the collection, transportation, and disposal of solid waste pursuant to this agreement in the amount of One Million Dollars ($1,000,000.00). Hauler further agrees to name the City of Marquette as the certificate holder under the comprehensive general liability insurance policy and shall provide the City with copies of said policies with proof of payment of premium thereon. The insurance policies shall bear an endorsement to the effect that the insurer agrees to notify the City not less than thirty (30) days in advance of any modification or cancellation thereof.

7. **Miscellaneous.**

   a. The Hauler shall be responsible for payment to the City of all charges incurred at the landfill.

   b. The Hauler may be required to post a cash bond or make an advance deposit, in an amount as determined by the City Treasurer, at any time.

   c. The Hauler will be billed by the City of Marquette on a monthly basis, per the statement received by the City from the landfill, detailing charges. Credit Terms:
net thirty (30) days. Any balance outstanding after 30 days will be charged interest at the rate in effect at the time of statement mailing.

d. The Hauler will be subject to random checks to verify that only refuse generated within the Marquette County limits is deposited at the County Landfill.

8. **Effective Date.**

Agreement is effective upon receipt of authorized signatures. Permit period is from **November 1, 2019** through **October 31, 2020** or the expiration of the present policy of insurance, whichever is earlier.

I have read this Permit for Direct Use of the Marquette County Landfill and instructions and agree to the terms and conditions as stated herein.

* All municipalities, inclusive of all haulers, will be charged $59.50/ton (which includes a $.07/ton HHW charge) for Type II, Type III, special waste, and contaminated soil, and $565.07 per ton for medical waste.

** Special waste charges have been computed to reflect the cost of disposal of material that requires special handling and cover. Proper notice by 3:00 pm on the day preceding delivery is required for asbestos, medical waste, and special material.

**** In general, waste that is not placed in the designated area will be charged a mixed load fee. Prohibited waste will be rejected.

# Refrigerant will be removed from appliances. Must be delivered separately and not mixed in loads. A mixed load charge will be assessed to loads with appliances containing refrigerant that are disposed in the landfill, along with the $15 removal fee.

** ADDITIONAL CHARGES WILL BE ASSESSED TO LOADS CONTAINING PROHIBITED WASTES.**

The following are materials prohibited from disposal in a Michigan landfill:

**Beverage containers** – A beverage container containing one gallon or less of a soft drink, soda water, carbonated natural or mineral water, or other nonalcoholic carbonated drink, beer, ale, or other drink of whatever alcohol content. Loads containing more than 12 beverage containers will be charged a mixed load fee and the hauler will be required to retrieve the beverage containers.

**Whole motor vehicle tires** – Whole motor vehicle tires are accepted and charged the rates on the fee schedule, but are prohibited from disposal in the landfill. Prior to landfill disposal, the tires will be split or processed into pieces by landfill staff. Whole tires found mixed in loads that are disposed in the landfill will be assessed a mixed load fee.

**Yard clippings** - Yard clippings are defined as leaves, grass clippings, vegetable or other garden debris, shrubbery, or brush or tree trimmings.

**Used oil** – Used oil is defined as petroleum-based oil that through use, storage, or handling, has become unsuitable for its original purpose due to the presence of impurities or loss of original properties.

**Lead acid batteries** - these are defined as a storage battery in which the electrodes are grids of lead containing lead oxides that change in composition during charging and discharging, and the electrolyte is dilute sulfuric acid.

**Low-level radioactive waste** – Low-level radioactive waste (LLRW) includes items that have become contaminated with radioactive through exposure to neutron radiation.

**Hazardous waste** – Hazardous wastes are materials that are identified by specific processes or exhibit certain properties that require more stringent controls on disposal, as specified by Michigan law.

**Mercury** – Mercury-containing devices must not be disposed in landfill. Mercury will be taken free of charge if brought in separated from the loads. This includes thermostats, thermometers, furnace controls and switches.

**Liquid waste** - Liquid waste means any waste material that is determined to contain free liquids as defined by Method 9095, the paint filter liquids test.

**Sewage** – Sewage means untreated domestic wastewater. Sewage sludge is not prohibited.

**PCBs** – Means PCBs as defined in 40 CFR 761.3. This includes both PCB items and PCB-contaminated material.

**Hot Ashes** - Fire hazard

**Explosives** – Please contact the State Police

**Nuclear Waste** – Nuclear or by-product materials as defined by the Atomic Energy Act of 1954 as amended, 42 USC 2011 et seq.

**Infectious Waste** – as defined and regulated by the Michigan Dept. of Public Health

**Refrigerant** – Refrigerators, freezers, air conditioners, dehumidifiers, water coolers and any other refrigerant-containing appliance. These are accepted but must come in separately and are charged $15 per appliance for the refrigerant removal.

**Condensed Gas Cylinders**: Call 249-4125 for disposal information

**SPECIAL WASTES**

**Asbestos waste** - All asbestos waste regulated by federal regulations is prohibited from disposal in a Michigan landfill unless the landfill complies with 40 CFR 61.154. All waste must be segregated and packaged per Authority and EGLE guidelines. Asbestos waste must not be mixed with other wastes. Medical waste – Under certain conditions medical waste can legally be disposed of in a Michigan landfill. All waste must be segregated and packaged per Authority and EGLE guidelines.
