

City of Marquette Solid Waste Program

Garbage and Recycle Cart Order Form

The City of Marquette Public Works Department is excited to begin the fourth open enrollment period for the solid waste collection system for the City of Marquette. This allows residents to choose a cart system for garbage and recycling collection instead of green City bags. Keep in mind, our recycle program will be transitioning to “Single Stream” this fall. More information can be found at <https://www.recycle906.com/> or (906) 249-4125. Your options are as follows:

- If you do NOT wish to change your current collection method, do nothing.
- If you choose to stay on the bag system but would like a recycle cart, choose which size recycle cart in the “Bag System” section.
- If you choose to order a garbage and recycle cart, please fill out the “Cart System” section. You may add an additional recycle cart by checking the box.
- If you want to exchange or return your existing cart(s), please state on form. *All returned carts must be clean to allow redistribution, or they will not be picked up.*

Please return the form to the City Hall bill payment box located outside or the Municipal Service Center mailbox. **Orders must be in by Friday, October 2, 2020.** It will take approximately 8-12 weeks to receive the order from the manufacturer. The carts will be delivered and show up on your curb. Please begin using immediately. **The chosen system fee will be in place of the current “Solid Waste” fee on your water bill and will appear on the following months utility bill.** If you have any questions, please contact Utility Billing at (906) 228-0420 or Public Works at (906) 228-0444 (press 0).
