FOURTH ST – OVERHEAD ELECTRICAL LINE MAINTENANCE

Beginning at 7:00 A.M. Thursday, January 21st, 2021 the Northbound lane of 4th St between Rock St and Ridge St will be closed to traffic.

The maintenance project is estimated to last approximately 8 hours. For your safety and the safety of our employees and contractors, please do not approach crews while they are working. The tasks that they perform put them near energized equipment where the outmost focus and concentration is necessary.

We understand that our activities may cause an inconvenience and want to thank you in advance for your patience and cooperation while we perform these modifications and upgrades.
