### **2022 CITY OF MARQUETTE ART WEEK - REQUESTS FOR PROJECT PROPOSALS**

The City of Marquette Office of Arts & Culture is currently accepting proposals for projects to take place during this year's City of Marquette Art Week, scheduled for June 20-25, 2022.

Art Week is an annual event held during the last full week of June that invites local artists, organizations, and businesses to come together, collaborate, and present a series of free arts and cultural events, concerts, workshops, performances, exhibits, demonstrations, and more for the Marquette community.

Proposed Art Week projects should connect to and play off of this year's theme of Water, inspired by the City's Cultural Trail initiative. The Cultural Trail will celebrate Marquette's cultural heritage and natural environment, connecting historic and culturally significant locations and natural features along the City's multi-use pathway through public art, space design, and interpretive signage. In particular, the Office of Arts & Culture seeks projects that explore the shoreline, its history, and spectacular landscape from the Carp River to Presque Isle.

Artists and organizations interested in proposing a project must complete and submit a proposal form by Sunday, March 13.

Full information, guidelines, and a link to the proposal form are available on the Marquette Compass Art Week homepage, [www.mqtcompass.com/art-week](http://www.mqtcompass.com/art-week).

Please contact the Office of Arts & Culture with any questions or concerns at [arts-culture@marquettemi.gov](mailto:arts-culture@marquettemi.gov) or (906) 228-0472.
