Collection Begins September 2022

Set your cart out so the lid opens facing the street, the night before your collection day.

Don't block your cart. Give at least 3 feet of space around your cart for collection pickup.

Recycling should be placed loose in the cart, with lid closed. Do not bag recycling.

Reuse your old recycling bin to collect glass and take to a recycling drop-off location.

City of Marquette residents can bring their clean glass bottles and/or jars to the drop off locations listed below for free. Windows and ceramics are not permitted.
