

CITY OF MARQUETTE 2023 SPRING YARD WASTE & BRUSH COLLECTION AND COMPOST INFORMATION

Properties paying the “Solid Waste” fee on their monthly water bill (sticker and cart users) are eligible to dispose of yard waste through the Spring Yard Waste & Brush Collection. Owners and tenants of properties not paying the fee should contact their regular waste hauler for service. This service is supported by **fees, not taxes**. All residents are asked to observe the following rules to provide for a safe, efficient cleanup:

1. These collections are for brush, leaves, grass clippings and garden debris only. NO rubbish is allowed. All collected material will be composted. Material is not to be placed more than one week prior to pick up date. **Material MUST be placed curbside prior to 7:00 a.m. of the scheduled pick-up date. There will NOT be a second pick-up day for the zones. If crews are ahead of schedule, they will return on your scheduled day to collect.**
2. Pile yard waste on the lawn next to the street edge, NOT in the gutter or on the street pavement. Keep yard waste in front of your own property. Do NOT pile on vacant adjacent properties. Motorists are asked to avoid parking in positions that block access to leaf piles.
3. **Brush pickup will be conducted April 24 - 28.** The brush volume from each property is limited to one pickup load, a pile approx. 12'L x 6'W x 5'H.
4. **Crews will collect loose or brown-bagged leaves May 1 - 12.** Each zone will be collected only once. Do not use City green bags or garbage carts for yard waste. Bags containing garbage or other rubbish mixed with the yard waste will not be collected. Plastic bags will not be collected.
5. Street sweeping and sand pickup will be conducted during leaf collection dates for all residential routes.
6. The City will not collect material after the last date listed for each route. Residents are asked to deliver it to the composting drop-off site located at 1415 Pioneer Rd. This site is opening April 22, 2023 for the season. It is open Tuesdays 3pm – 7pm and Saturdays 9am – 1pm. Any yard waste will be accepted but brush will be limited to one pickup load per day. “Solid Waste” fee payment on a City water bill and ID is required for admittance.

*****This collection schedule is weather dependent. If the collection is postponed, a public service announcement will be issued with the new dates. Please follow the map accordingly.**

Compost Site Hours: Tuesdays 3:00pm – 7:00pm & Saturdays 9:00am – 1:00pm

Holiday closures: Saturday, May 28th; Saturday, July 2nd; Tuesday, July 4th; Saturday, September 3rd

REMEMBER: For the Spring and Fall curbside pickup, if you choose to bag your yard debris, it must be bagged in **brown landscaping bags**. These bags are made for bagging grass clippings, leaves, and general yard waste. They are also durable while still being fully recyclable and compostable. These **brown yard waste bags** can be found at many home improvement and garden centers.
