PRE-APPLICATION CONFERENCE

It is strongly encouraged that all applicants and their representatives meet with City of Marquette staff prior to submitting an application for a rezoning. A pre-application meeting with staff allows for a preliminary review of the application procedures, project timelines, compliance with the City Master Plan, and other project criteria, and prevents most situations that usually results in a project being postponed.

PHASING OF APPLICATION

Public hearings before the Planning Commission are held on the first meeting of the month only. Applications and support materials must be submitted twenty (20) business days prior to the public hearing date.

The Marquette City Commission is also required to hold a public hearing and take final action on a rezoning request. This usually takes two City Commission meetings, one to schedule the public hearing and one to hold the public hearing.

EXCERPT FROM THE CITY LAND DEVELOPMENT CODE

Article 14: Administrative Procedures **Section 54.1405:** Zoning Ordinance Amendment Procedures

Section 54.1405 Zoning Ordinance Amendment Procedures

- (A) Initiation of Amendments.** The City Commission, the Planning Commission, or the property owner (including a designated agent of the property owner) may at any time originate a petition to amend or change the zoning district boundaries pursuant to the authority and procedure established by Act 110 of Public Acts of 2006 as amended. Changes in the text of this Ordinance may be proposed by the City Commission, Planning Commission, or any interested person or organization.
- (B) Application for Amendment.** Each petition by one (1) or more persons for an amendment shall be submitted to the Zoning Administrator. Documents to support the application may be filed with the Zoning Administrator. A fee, as established by the City Commission shall accompany each petition, except those originated by the Planning Commission or City Commission.
- (C) Amendment Review Procedures.**
- (1) Public Hearing.** The staff liaison to the Planning Commission shall set a time and date for a public hearing, and the public hearing shall be noticed in accordance with [Section 54.1406](#). The Planning Commission may refuse to schedule a hearing on a petition for rezoning which includes any portion of a site considered for rezoning in the previous six (6) months.
 - (2) Planning Commission Consideration of the Proposed Amendment.** The Planning Commission shall review the proposed amendment, together with any reports and recommendations from staff, consultants, other reviewing agencies, and any public comments. The Planning Commission shall identify and evaluate all factors relevant to the petition, including the appropriate criteria listed in this Section. Following the public hearing, the Planning Commission shall make a recommendation to the City Commission to either approve or deny the petition and report its findings to the City Commission.
 - (3) City Commission Consideration of the Proposed Amendment.** The City Commission, upon recommendation from the Planning Commission, shall either schedule a public hearing or deny the petition. This hearing shall be advertised in accordance with [Section 54.1406](#). If determined to be necessary, the City Commission may refer the amendment back to the Planning Commission for further consideration. In the case of an amendment to the Official Zoning Map, the City Commission shall approve or deny the amendment, based upon its consideration of the criteria contained in this Ordinance.
- (D) Standards of Review for Amendments.** In considering any petition for an amendment to the text of this Ordinance or to the Official Zoning Map, the Planning Commission and City Commission shall consider the following criteria that apply to the application in making findings, recommendations, and a decision. The Planning Commission and City Commission may also take into account other factors or considerations that are applicable to the application but are not listed below.

- (1) **Master Plan.** Consistency with the recommendations, goals, policies and objectives of the Master Plan and any sub-area plans. If conditions have changed since the Master Plan was adopted, consistency with recent development trends in the area shall be considered.
- (2) **Intent and Purpose of the Zoning Ordinance.** Consistency with the basic intent and purpose of this Zoning Ordinance.
- (3) **Street System.** The capability of the street system to safely and efficiently accommodate the expected traffic generated by uses permitted in the requested zoning district.
- (4) **Utilities and Services.** The capacity of the City's utilities and services sufficient to accommodate the uses permitted in the requested district without compromising the health, safety, and welfare of the City.
- (5) **Changed Conditions Since the Zoning Ordinance Was Adopted or Errors to the Zoning Ordinance.** That conditions have changed since the Zoning Ordinance was adopted or there was an error in the Zoning Ordinance that justifies the amendment.
- (6) **No Exclusionary Zoning.** That the amendment will not be expected to result in exclusionary zoning.
- (7) **Environmental Features.** If a rezoning is requested, compatibility of the site's physical, geological, hydrological and other environmental features with the uses permitted in the proposed zoning district.
- (8) **Potential Land Uses and Impacts.** If a rezoning is requested, compatibility of all the potential uses allowed in the proposed zoning district with surrounding uses and zoning in terms of land suitability, impacts on the environment, density, nature of use, traffic impacts, aesthetics, infrastructure and potential influence on property values.
- (9) **Relationship to Surrounding Zoning Districts and Compliance with the Proposed District.** If a rezoning is requested, the boundaries of the requested rezoning district will be reasonable in relationship to surrounding zoning districts, and construction on the site will be able to meet the dimensional regulations for the requested zoning district.
- (10) **Alternative Zoning Districts.** If a rezoning is requested, the requested zoning district is considered to be more appropriate from the City's perspective than another zoning district.
- (11) **Rezoning Preferable to Text Amendment, Where Appropriate.** If a rezoning is requested to allow for a specific use, rezoning the land is considered to be more appropriate than amending the list of permitted or special land uses in the current zoning district to allow the use.
- (12) **Isolated or Incompatible Zone Prohibited.** If a rezoning is requested, the requested

rezoning will not create an isolated or incompatible zone in the neighborhood.

- (E) Notice of Adoption of Amendment.** Following adoption of an amendment by the City Commission, one (1) notice of adoption shall be filed with the City Clerk and one (1) notice shall be published in a newspaper of general circulation in the City within fifteen (15) days after adoption, in accordance with the Michigan Zoning Enabling Act, Public Act 110 of 2006, as amended. Amendments shall take effect eight (8) days after publication. A record of all amendments shall be maintained by the City Clerk. A Zoning Map shall be maintained by the City Clerk or his/her designee, which shall identify all map amendments. The required notice of adoption shall include all of the following information:
- (1)** In the case of a newly adopted Zoning Ordinance, the following statement: "A zoning ordinance regulating the development and use of land has been adopted by the City of Marquette."
 - (2)** In the case of an amendment(s) to the existing Zoning Ordinance, either a summary of the regulatory effect of the amendment(s), including the geographic area affected, or the text of the amendment(s).
 - (3)** The effective date of the ordinance or amendment.
- (F) Protest Petition of Amendment.** An amendment under this Chapter is subject to a protest petition in accordance with Section 403 of the Michigan Zoning Enabling Act, PA 110 of 2006 (as amended), summarized as follows:
- (1) Petition Submittal Requirements.** The protest petition shall be presented to the City Commission before final legislative action on the amendment, and shall be signed by one or more of the following:
 - (a)** The owners of at least 20% of the area of land included in the proposed change. Publicly owned land shall be excluded in calculating the 20% land area.
 - (b)** The owners of at least 20% of the area of land included within an area extending outward 100 feet from any point on the boundary of the land included in the proposed change. Publicly owned land shall be excluded in calculating the 20% land area.
 - (2) Vote.** If a protest petition is filed, approval of the amendment to this Ordinance shall require a 2/3 vote of the City Commission.
- (G) Referendum.** Within thirty (30) days following the passage of the Zoning Ordinance, a petition signed by a number of registered electors may be filed with the City Clerk requesting submission of this Ordinance or part of this Ordinance to the electors for their approval, in accordance with Section 402 of the Michigan Zoning Enabling Act, PA 110 of 2006, as amended. Whenever there is a conflict between this section of the Zoning Ordinance or P.A. 110 of 2006, as amended, the provisions of P.A. 110 of 2006, as amended, shall govern.

(H) Rezoning (Zoning Map Amendment) with Conditions. Pursuant to MCL 125.3405, the City Commission, following a public hearing and recommendation by the Planning Commission, may approve a petition for a rezoning with conditions requested by a property owner. The standards of this section shall grant a property owner the option of proposing conditions for the development and use of property in conjunction with an application for rezoning. Such conditions may be proposed at the time the application for rezoning is filed, or at a subsequent point in the process of requesting approval for the proposed rezoning with conditions, not more than 90 days after a public hearing in which City Commission approval of a Conditional Rezoning request is granted, in the form of a Conditional Rezoning Agreement.

(1) Conditional Rezoning Agreement. The conditions attached to the rezoning shall be set forth by submitting a conditional rezoning agreement listing the proposed conditions. A Rezoning with Conditions is not considered to be fully approved until a Conditional Rezoning Agreement (CRA) is approved. Failure to present the CRA for approval within the 90-day period identified above will terminate the request process and require the applicant to begin the process again and submit a new rezoning application. A conditional rezoning agreement shall contain the following information:

- (a)** A statement acknowledging that the rezoning with conditions was proposed by the applicant to induce the City to grant the rezoning, and that the City relied upon such proposal and would not have granted the rezoning but for the terms spelled out in the conditional rezoning agreement; and, further agreement and acknowledgment that the conditions and conditional rezoning agreement are authorized by all applicable state and federal law and constitution, and that the Agreement is valid and was entered on a voluntary basis, and represents a permissible exercise of authority by the City.
- (b)** Agreement and understanding that the property in question shall not be developed or used in a manner inconsistent with the conditional rezoning agreement.
- (c)** Agreement and understanding that the approval and conditional rezoning agreement shall be binding upon and inure to the benefit of the property owner and City, and their respective heirs, successors, assigns, and transferees.
- (d)** The date upon which the rezoning with conditions becomes void, as specified in [Section 54.1405\(H\)\(3\)](#), below. If an extension of approval is granted by the City Commission, a new conditional rezoning agreement with the new expiration date shall be recorded.
- (e)** Agreement and understanding that, if a rezoning with conditions becomes void in the manner provided in [Section 54.1405\(H\)\(3\)](#), below, no development shall be undertaken or permits for development issued until a new zoning district classification of the property has been established.
- (f)** Agreement and understanding that each of the requirements and conditions in the conditional rezoning agreement represents a necessary and reasonable measure

which, when considered with all other conditions and requirements, is roughly proportional to the increased impact created by the use represented in the approved rezoning with conditions, taking into consideration the changed zoning district classification and the specific use authorization granted.

- (g) A legal description of the property affected by the rezoning with conditions.
- (h) Development regulations affected by the conditions of rezoning, including but not limited to density, setbacks, height, site coverage, signs, parking, architecture, lighting, landscaping etc.
- (i) Revocation of approval provisions returning the property to its original zoning designation if the developer violates the terms of the agreement.
- (j) A conditional rezoning agreement may contain a conditional rezoning plan as an attachment, with such detail and inclusions proposed by the applicant and approved by the City Commission in accordance with this Section, following recommendation by the Planning Commission. Inclusion of a conditional rezoning plan as an attachment to a conditional rezoning agreement shall not replace the requirement for Preliminary and Final Site Plan, Subdivision, Condominium, or Special Land Use review and approval, as the case may be.

(2) Amendment to Conditional Rezoning Agreement. A proposed amendment to a conditional rezoning agreement shall be reviewed and approved in the same manner as a new rezoning with conditions.

(3) Period of Approval. Unless extended by the City Commission for good cause, the rezoning with conditions shall expire following a period of two (2) years from the date on which the City Commission approves the Conditional Rezoning Agreement for the request, unless bona fide development of the property pursuant to approved building and other permits required by the City commences within the two (2) year period and proceeds diligently and in good faith as required by ordinance to completion.

(a) Expiration or Extension. In the event bona fide development has not commenced within two (2) years from the effective date of the rezoning, the rezoning with conditions and the conditional rezoning agreement shall be void and of no effect. The landowner may apply for a one (1) year extension one (1) time. The request must be submitted to the Zoning Administrator before the two (2) year time limit expires. The landowner must provide to the City Commission good cause as to why the extension should be granted. If an extension of approval is granted by the City Commission, a new conditional rezoning agreement with the new expiration date shall be recorded.

(b) Effect of Expiration. If the rezoning with conditions becomes void in the manner provided in this section, either or both of the following actions may be taken:

- (i) The property owner may seek a new rezoning of the property; and/or
- (ii) Pursuant to MCL 125.3405, the land shall revert to its former zoning classification following the process for approval of a rezoning with conditions.

(4) Zoning Map. If approved, the zoning district classification of the rezoned property shall consist of the district to which the property has been rezoned accompanied by a reference to “CR Conditional Rezoning.” The Zoning Map shall specify the new zoning district plus a reference to CR. By way of example, the zoning classification of the property may be “CBD Central Business District with CR Conditional Rezoning,” with a Zoning Map designation of “CBD CR.”

(5) Review and Approval Process. An application for a rezoning with conditions shall be reviewed following the same process and procedures applicable to a rezoning set forth in [Section 54.1405\(C\)](#), with the exception that the conditional rezoning agreement shall be executed between the applicant and the City Commission at the time of City Commission approval of a rezoning with conditions.

(6) Recordation of a Conditional Rezoning Agreement. A rezoning with conditions shall become effective following publication in the manner provided by law, and after the conditional rezoning agreement is recorded with the County Register of Deeds.
